Academic Year 2021-2022
Department Achievements

1. Four Week Online Certificate Courses

In the academic year 2021-2022, the Department of Information Technology successfully organized Four Week Online Certificate Courses:

a) Programming with Python,

b) Software Development using C#

c) Recent Trends in Networking

These courses were conducted during 01.02.2022 to 26.02.2022. The faculty members of department have designed the course syllabus, developed e-contents using softwares like Camtasia/Kinemaster. The e-contents of every week were posted at the start of week and at the end of week an assignment based on contents of that week given. The final examination was conducted on 15.03.2022 for Programming with Python, 17.03.2022 for Software Development using C# and 19.03.2022 for Recent Trends in Networking using Google form. The e-certificate was given to the qualified participants.

The statistical data of these courses is shown below:
