II. Introduction:

A one-day online workshop on Research Methodology was jointly organized by Yashwantrao Chavan College, Ambejogai, and Rajarshi Shahu Mahavidyalaya, Latur (Empowered Autonomous Institution) on 18th March 2026 at 11:00 AM. The workshop was conducted virtually through the VLC Hall platform with the aim of enhancing research skills among students and faculty members. The event brought together academic experts, researchers, and students to exchange knowledge and insights related to research practices and methodologies. The program was graced by distinguished academicians. The inaugural address was delivered by Dr. Shivdas Shirsath, Principal of Yashwantrao Chavan College, Ambejogai and Dr. Mahadev Gavhane, Principal of Rajarshi Shahu Mahavidyalaya, Latur (Empowered Autonomous Institution) served as the Chairperson of the program. The Resource Person for the workshop was Dr. Manohar Yerikalwar, IGNT University, Amarkantak, (M. P.) an expert in research methodology. The workshop was convened by Dr. Gadekar B. P. and Dr. Deepak Bharti, who played a crucial role in organizing and coordinating the event.

III. Objectives of Programme:

1. To provide a comprehensive understanding of research methodology.
2. To guide participants in designing and conducting effective research.
3. To enhance analytical and critical thinking skills among researchers.
4. To familiarize participants with various research tools and techniques.
5. To encourage quality research practices among students and faculty members.

IV. Details of Participants:

77 Participants (37 Male and 40 Female) attended this programme.

V. Brief Summary of Programme:

The one-day online workshop on Research Methodology commenced at 11:00 am with a formal inauguration. The session began with a welcome address, followed by the introduction of the dignitaries and participants. The inaugural speech by Principal Dr. Shivdas Shirsath emphasized the importance of research in academic growth and societal development. He highlighted how systematic research contributes to innovation and knowledge creation. Principal Dr. Mahadev Gavhane, in his presidential address, stressed the need for developing a scientific approach among students and teachers. He encouraged participants to actively engage in research activities and contribute to their respective fields with integrity and dedication. The core session of the workshop was conducted by the resource person, Dr. Manohar Yerikalwar, IGNT University, Amarkantak, (M. P.). He delivered an insightful lecture on various aspects of research methodology. His presentation covered essential topics such as the **meaning and significance of research, types of research, research design, data collection methods and data analysis techniques**. He also explained the importance of formulating a clear research problem and developing appropriate hypotheses.

Dr. Yerkalwar elaborated on both qualitative and quantitative research methods, providing practical examples to help participants understand their application. He also discussed tools such as surveys, interviews, and observation methods, along with the use of statistical techniques in research. The session was interactive, allowing participants to ask questions and clarify their doubts. Another important aspect of the workshop was the guidance provided on writing research papers and avoiding plagiarism. The speaker emphasized ethical considerations in research and the importance of originality and proper citation practices. The workshop witnessed active participation from around 77 research students and faculty members. Participants showed keen interest throughout the session and appreciated the clarity and depth of the content delivered. The interactive nature of the workshop made it more engaging and beneficial for all attendees. The conveners, Dr. Gadekar B.P. and Dr. Deepak Bharti they expressed introductory speech and gratitude to the dignitaries, resource person, and participants for making the workshop successful. . The program concluded with a vote of thanks delivered by Prof. Rupali Jadhav.

VI. Conclusion, with Feedback on the Programme:

The one-day online National Level workshop on Research Methodology proved to be highly informative and beneficial for all participants. It successfully achieved its objectives by enhancing the understanding of research concepts and practices. The expert guidance provided by Dr. Manohar Yerkalwar enriched the participants' knowledge and inspired them to undertake quality research work. Such initiatives play a vital role in promoting academic excellence and fostering a research-oriented culture among students and educators.
