B) Report

i) **Title: “Earth Hours-2023”**

ii) **Introduction:**

Every year our Department of Geography was celebrated Earth Hour. Earth Hour helps to raise awareness about climate change and the need to save energy. Turning off our unessential lights and electronics for just one hour. We can show our commitment to protecting the Planet.

iii) **Objective of the Programme:**

- Small Action Big Impact.
- One hour for the earth.

iv) **Details of Participants:**

All Latur City

v) **Brief Summary of Events:**

Every year our department has celebrated Earth Hour. This Year ‘**Earth Hour-2023**’ Celebrated by Dept. of Geography. Earth Hour aims to increase awareness and spark global conversation on protecting nature, tackling the climate crisis and working together to brighter future for us all. This Year Earth Hour Theme was ‘**Invest on our Planet**’ theme. The Earth Hour was observed across the latur city on Saturday (March 25). The latur city event is held annually encouraging people to turn off non-essential lights for one hour, from 8:30 to 9:30 PM local time.

vi) **Conclusion, with feedback on the Programme.**

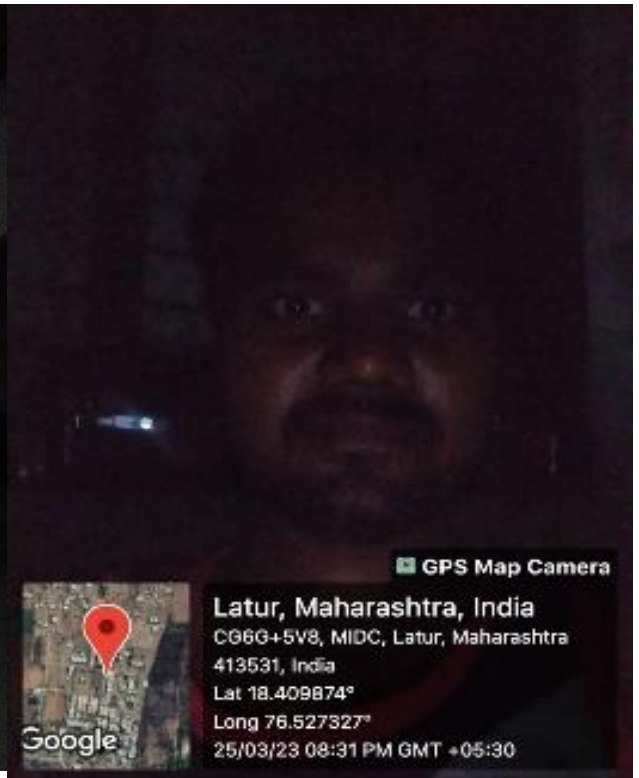

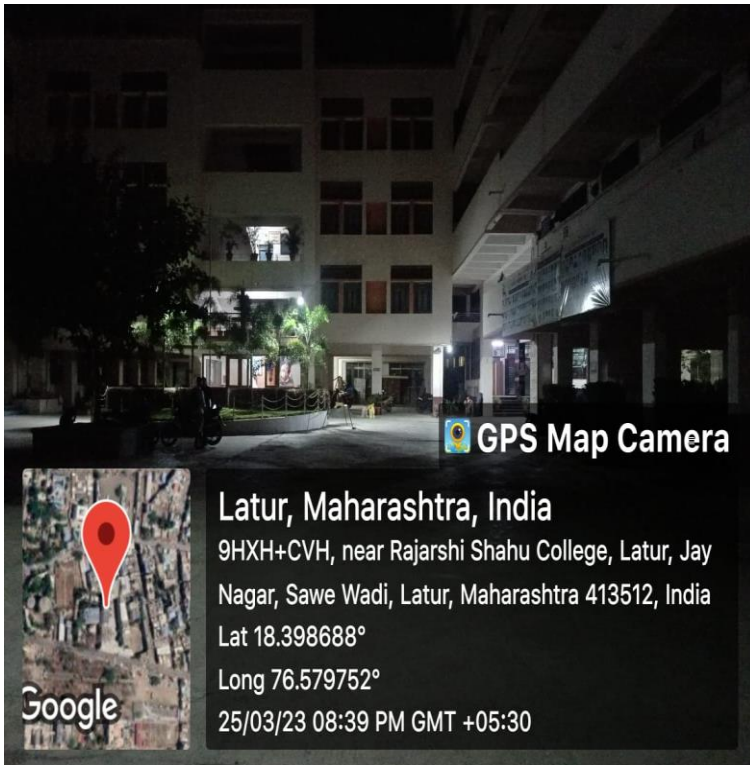

Switching off your lights for one hour, you can make a substantial difference in energy consumption and can help reduce the effect of global warming on this planet.
