## **B) A Report**

### **i) Title: “One Day Field Visit”**

### **ii) Introduction:**

Department of Geography arranged One Day Field Visit activity for M.A-I-year students. This activity is a part of our syllabus. So, this academic year our Field Visit was arranged at Yadshi (Ramling) Sanctuary Tq & Dsit. Osmanabad. This Geographical Field Visit was arranged on 25/12/2022. This activity as a part of Practical Paper - I of semester I.

### **iii) Objectives of the Programme:**

- To collect the geographical information in Visited field.
- To observe various components of the physical and cultural environmental.
- To know about relationship of relief and natural vegetation in the field.
- To study the difference between biodiversity in local and visited field.

### **iv) Participants:**

Total 19 Participants Participated in the Field Visit (Male-07, Female-10, Teacher- 01 and Non-Teaching -01).

### **v) Brief Summary of Events:**

The Yedshi Ramling wildlife sanctuary is located in Osmanabad and Kalamb tahsils of Osmanabad district of Maharashtra. The Government of Maharashtra declared it as wildlife sanctuary in 1997. The sanctuary is occupied an area of 2238 hectares of land. It protects of various plants, animals and birds.

The sanctuary covered by south tropical arid deciduous and thorny forests. The common trees found are Apta, Neem, Sitaphal, Mohgani, Palas, Dhawada etc. There are different types of shrubs. Wild Cat, Monkey, Leopard, Wolf, Fox, Barking Deers etc. Wild animals found in this sanctuary. More than 100 Species of birds are recorded in the sanctuary.

Yedshi Ramling Wildlife sanctuary is situated in the Balaghat mountain range of Sahyadri. Mechanical, biological and chemical weathering found in the area. Block rock found everywhere. There is one small waterfall and Ramkund. It is said that this place is related with Ramayana because there is a temple of Jatayu.

Now a days it is known as one of the famous tourist place in Osmanabad district. It is a religious tourism centre. Thousands of tourists from nearby villages, towns and cities visits this place in the month of Shrawana.

**vi) Conclusion:**

Field visit is very helpful for the students of geography. Due to field visits students observe actual landforms, biodiversity, climate, life style which they studied in classrooms. It builds interest of the student to get more about places and world around us.
