- To provide knowledge about war Journalism.
- To aware about risks in war journalism.
- To inculcate the technologies, change war reporting and publishing;

iv) Details of Participation:

31 Male and 12 Female Total =43 were participated.

v) Brief Summary of Events/ Sessions:

Principal Dr. Mahadev Gavhane in his presidential address said that, no country in the world will need war if journalists and media work for world peace. Therefore journalist and media should contribute to bring peace. Dr. Ravindra Chincholkar delivered an introductory remark.

Dr. Devendra Vispute asserted that war journalism in India had not been able to develop properly due to the British-era tradition of concealment of defense matters from the public, extreme attempts at secrecy and red tapism in security forces. As a result, the public is still unaware of the defeat of 1962 China war. Things were changed a bit during the 1971 Bangladesh war, but the real impetus for the development of war journalism in India came after the 1998 Cargill conflict. At least 1,400 journalists have been killed in various wars and conflicts in the world since 1997, he said.

Dr. Rohit Kasbe said that there is a need to be alert about the news reporting regarding enemy and allied nations. War journalist must aware about what is happening on the battlefield and its good or bad effects on our country. War journalists also need to know the international laws of war, international relations, geopolitics.

Head of the journalism department in Punyashlok Ahilyadevi Holkar college Dr Devendra Vispute said that war journalism couldn't be developed in the country as compared to other forms of journalism

Dr Gavhane in his presidential address said that no country in the world will need war journalism if journalists and media work for peace. Therefore, journalists and media should contribute to bring peace in the society as well as in the country. Dr Ravindra Chincholkar delivered an introductory remark. Shivshankar Patwari conducted the proceedings and Dr Ambadas Bhaske proposed vote of thanks.

due to the present situation prevailing across the country which prevents the movement of the Indian Army from getting known to others.

He was speaking in a one-day national online workshop on War Journalism jointly organised by the department of mass communication and journalism at Rajarshi Shahu College, Punyashlok Ahilyadevi Holkar, Solapur University and

Vidyavardhini Sabha College of Arts, Commerce and Science.

Principal Dr Mahadev Gavhane presided over the programme. Dr Naredra Vispute, deputy director, doordarshan, Worli, Mumbai), Rohit Kashe (YCMOU, Nashik), vice-principal Sadashiv Shinde were present as guests of honour.

Dr Vispute said that at least more than 1,200 journalists have been killed in

many major and minor wars so far around the world. Hence, training in military operations is required for wartime journalism. Journalists in developed countries get many facilities including training but in India this field is still ignored. During the war journalism, journalists have to consider the balance of information given to the common man and a lot of human values, because if the picture of the devastation caused by the war is presented to the people, there is a danger of bad acts rather than good.

Rohit Kashe said that there is a need to be alert about the news regarding enemy and allied nations, what is happening on the battlefield and its good or bad effects on our nation.

देशातील परिस्थितीमुळे युध्द पत्रकारितेचा विकास खुंटला -डॉ.देवेंद्र विसपुते

लातूर/प्रतिनिधी

गोपनीयता, सैन्याच्या हालचाली इतरांना कळू नयेत म्हणून घेतली जाणारी खबरदारी, नको तितकी भितो बाळगल्याने देशात इतर पत्रकारितेच्या तुलनेत युध्द पत्रकारिता विकसीत नाही. शिवाय युध्दाच्या वेळी अफवा मोठ्या प्रमाणात पसरवल्या जातात अशा वेळी सत्य काय आणि अफवा कोणती हे पत्रकारांनी ओळखणे गरजेचे असते असे विचार प्राचार्य डॉ. देवेंद्र विसपुते यांनी मांडले.

राजर्षी शाह महाविद्यालयातील जनसंज्ञापन आणि वृत्तपत्रविद्या विभाग, पुण्यलोक अहिल्यादेवी होळकर सोलापूर विद्यापीठातील जनसंज्ञापन आणि वृत्तपत्रविद्या विभाग आणि विद्यावर्धिनी समेचे कला वाणिज्य आणि विज्ञान महाविद्यालय, धुळे येथील संरक्षण आणि सामरिक शास्त्र विभाग यांच्या संयुक्त विद्यमाने आयोजित युध्द पत्रकारिता चिषयावर आयोजित एक दिवसीय राष्ट्रीय ऑनलाईन कार्यशाळेत ते मुख्य वक्ते म्हणून बोलत होते. कार्यशाळेच्या अध्यक्षस्थानी महाविद्यालयाचे प्राचार्य डॉ. महादेव गव्हाणे तर प्रमुख मार्गदर्शक म्हणून डॉ. नरेंद्र विसपुते (उपसंचालक, दूरदर्शन केंद्र, वळी मुंबई), डॉ. रोहीत कसबे (य.च.म.मु.विद्यापीठ, नाशिक) उपप्राचार्य प्रा. सदाशिव शिंदे यांची उपस्थिती होती. पुढे बोलतांना त्यांनी आतापर्यंतच्या अनेक लहान मोठ्या युध्दात किमान १२०० पेक्षा अधिक पत्रकारांचा बळी गेला असून युध्दाच्या वेळी पत्रकारिता करण्यासाठी सैन्य

दलाकडून प्रशिक्षण घेणे आवश्यक असते. अशा प्रशिक्षणासाठी विकसीत देशात पत्रकारांना अनेक प्रकारच्या सुविधा मिळतात मात्र भारतात अद्यापही हे क्षेत्र दुर्लक्षित राहीले असल्याचे सांगितले. कार्यक्रमात मार्गदर्शक म्हणून बोलतांना डॉ. नरेंद्र विसपुते यांनी युध्द पत्रकारिता करतांना पत्रकारांना सामान्यांना दिल्या जाणाऱ्या माहितीत समातोल आणि मोठ्या प्रमाणात मानवी मूल्यांचा विचार करावा लागतो, कारण युद्धामुळे घडून आलेल्या विनाशाचे चित्र लोकांसमोर ठेवले तर त्याचे चांगल्या ऐवजी बाईट परिणाम होण्याचा धोका असतो त्यामुळे युद्ध पत्रकारिता संयमाने करावी लागते असे सांगितले. तर डॉ. रोहीत कसबे यांनी युध्द पत्रकारिता आणि जागतिक घडामोडी यावर लक्ष केंद्रित करून शत्रू आणि मित्र राष्ट्रे यांच्या सट्टेभातील ज्ञान, युध्दभूमीवर होत असलेल्या घडामोडी आणि त्याचे आपल्या राष्ट्रवर होणारे चांगले किंवा बार्दट परिणाम या विषयी सतत जागरूक राहून वातावरण करावे लागते असे सांगितले. कार्यक्रमाच्या अध्यक्षिय समारोपात प्राचार्य डॉ. महादेव गव्हाणे यांनी पत्रकारांनी आणि माध्यमांनी शांततेसाठी कार्य केले तर जगातील कोणत्याही देशाला युध्द पत्रकारितेची आवश्यकता भासणार नाही म्हणून पत्रकारांनी आणि माध्यमांनी समाजात आणि पर्यायाने देशात शांतता प्रस्थापीत करण्यासाठी योगदान द्यावे असे विचार मांडले. कार्यक्रमाचे प्रास्ताविक डॉ. रविंद्र चिंचोलकर यांनी केले अन्भार सोलापूर विद्यापीठातील प्रा.डॉ.अंबादस मास्के यांनी मानले.
