B) Report

i. Title:

One Day National Workshop on **Changing Trends in Sociology**

ii. Introduction:

Sociology Department organized a national workshop, for Academicians, Researchers, Students, and Teaching Faculties. The theme of the workshop was 'Changing Trends in Sociology' on 6th of March. The resource person called was Dr. Shruti Tambe from SPPU, Pune.

iii. Objectives of the Programme/ issues addressed:

- This thematic workshop aims to analyze various social issues in sociological manner and give an emphasis on changing trends in Sociology.
- Novelty is a key for any academic stream, which is required to keep its significance in global world. So it was an objective of the workshop to have an account on changing trends in sociology.
- It also aims to become familiar with the changes, which are taking place in the sociological discourse
- Gender studies also a very important subject matter of Sociology. This workshop also aims to give a sociological account on this topic as a changing dimension of sociological studies.

iv. Details of Participants:

We have got huge response from all over the India. Academicians, teaching faculties, Researchers, and students gave nice response to the workshop and participated very enthusiastically in interaction session.

v. Brief Summary of Events/ Sessions:

This thematic workshop was organized by the department of sociology, having a concern with various social issues. Dr. Shruti Tambe explored various dimensions of sociology and changing trends who influence academic spectrums of sociology.

She shared her views about gender studies, equality and social changes. She shared slides about the topic and had a very vibrant and thoughtful discussion with participants.

vi. Conclusion, with Feedback on the Programme:

The workshop was a successful workshop as it had garnered participants and interaction beyond the expectation of the department. The resource person was very clear, audible and was very articulate about the session. The language used was understandable and there was clarity in the speech. Overall, the success of the workshop was not about the enrollment in the workshop, it was about the knowledge that was imparted and gained by the participants in the workshop.
