## B) Report

### i. Title :

National Webinar on “E-Business Opportunities Post Covid-19 Era”

### ii. Introduction

The COVID-19 pandemic brought to light a number of challenges to the global economy and trade worldwide. For the first time, digital technologies offered an alternative channel for maintaining business activities, social interactions and consumption in times of strict lockdowns. COVID-19 has demonstrated the special role e-commerce can play during the crisis and beyond. Thus, Department of Commerce has organized the National Webinar on “E-Business Opportunities Post Covid-19 Era” on 20<sup>th</sup> June 2020, through Zoom online platform to introduce recent trends in e-commerce and outline challenges and opportunities in the Indian Economy.

### iii. Objectives of the Programme/ issues addressed:

- To discuss on the growth of e commerce due to Covid-19.
- To Discuss on E-Commerce as a substitute for business in modern era.
- To discuss on changes in consumer behavior and businesses due to Covid-19.

### iv. Details of Participants:

Total 117 participants (48 Male and 69 Females) attended the webinar.

### v. Brief Summary of Events/ Sessions

Dr. Suyog Amrutrao, Director School of Management Science, Dr. BAMU, Sub-Center Osmanabad, was a resource person. Dr. Amrutrao explained that the Covid-19 pandemic has led to an inevitable surge in the use of digital technologies due to the social distancing norms and nationwide lockdowns. People and organizations all over the world have had to adjust to new ways of work and business.

### vi. Conclusion, with Feedback on the Programme :

The popularity of online retailing on the increase after the advent of covid-19 pandemic 17% more from 2019 and expected to rise further. Sectors such as electronics and home appliances, fashion and accessories, health and pharmacy, and fast-moving consumer goods (FMCG) did particularly well, with an average growth of 133 per cent in sales. He further stated that the top three states in terms of e-commerce volumes were Delhi-NCR, Maharashtra and Karnataka. Together, these states constituted 65 per cent of the overall consumer demand in the country that has otherwise seen a massive slowdown in the economy. The participants cleared their doubts in discussion with the resource person.
