To address this need, the Department of Commerce organized this workshop to discuss Patent, Copyright, and Trademark Management in India.

iii. Objectives of the Programme/ issues addressed:

- To discuss on Intellectual Property Rights (IPRs) with need of its protection.
- To know Ethical Issues related to Clinical Trials and IPR with problems and challenges.
- To understand Copyright and Trademark Management in India with case studies.

iv. Details of Participants:

Total 60 participants (13 Male and 47 Female) attended the workshop.

v. Brief Summary of Events/ Sessions:

Miss. Madhuri Kankal, an Assistant Professor at Sub-Center Peth, Latur, explained during the workshop that intellectual property has become increasingly important in today's globally competitive environment. She emphasized that intellectual property (IP) plays a vital role in promoting economic growth and acts as the fuel that powers the engine of prosperity, driving invention and innovation. As intangible assets become more significant in the global economy, businesses must actively manage their IP to build and sustain their competitive advantage and achieve superior performance.
