- To create awareness among students with various techniques which used in dairy industry.

iii. Details of Participants

123 participants (Male 55 and Female 68) attended the Guest lecture.

iv. Brief Summary of Events/ Sessions: Conclusion, with Feedback on the Programme:

Guest speaker Mr. Ashok Aghav (Research Scientist at Schreiber Dynamix Pvt. Ltd. Baramati) addressed our students and made them aware about emerging trends in dairy industry. Mr. Ashok Aghav explained that, apart from being an important sector globally, dairying is equally important in developing economies of developing country like India, for providing declining nutrition, reducing rural poverty, inequity, ensuring food security for millions of rural households, and enhancing economic growth, particularly in rural areas. He described global overview of dairy industry, milk world scenario, and future trends of global dairy industry. He also highlighted operation mode, dairy cooperatives and Innovations. The program was ended with vote of thanks given by Dr. Gitanjali Sathe.

v. Conclusion:

Through the lecture the students were made to understand various operations and innovations in dairy. Students also made to understand global overview of dairy industry,

world milk scenario, and future trends of dairy industry besides this the students also made to understand National & State government schemes and policies related to dairy industry.
