10) Source of Funding:		Not Applicable		

B) Report

i. Title:

Student Induction Programme 2020-21.

ii. Introduction:

College life education is one of the most challenging events in a students' life. When new students join a higher education institution, they come with diverse thoughts, knowledge, educational and financial backgrounds. They come into a first-hand unfamiliar environment, and many of them have little knowledge of a college. The Student Induction Programme aims to help new students to familiarize and feel the new environment, inculcate in them the vision, mission and culture of the institution, help them build bonds with other students and faculty members. The Programme was organized by Department Food Processing Technology from 30th September 2020 to 03rd October 2020.

Objectives of the Programme:

1. To introduce students about our Institution and its Goals and achievements.
2. To introduce student about career and job opportunities in food industry
3. To introduce importance of FPT program

iii. Details of Participants:

10 students (Male 4 and Female 6) attended the Student Induction Programme.

iv. Brief Summary of Events/Sessions:

In this programme on first day Dr. S.S. Kulkarni told Institute overview and course importance, on 2nd day Dr. V. V. Patil explained about course structure, examinations and overall conduct. On 3rd day Ms. M.A. Dhotre highlighted different co-curricular activities of department and Ms. C. C. Chavan described about sectors of food industry. On last day Mr. S.D. Kadam explained about Job opportunities in Food and Dairy Industry.

v. Conclusion, with feedback on the programme:

The student induction programme helped new hires feel welcome and remove their anxieties and confusions they have had upon getting admitted in the program. Through

this program the students were made to understand the course structure, examinations and co-curricular activities which are conducted regularly in the department. It also gave a clear idea to students about Job opportunities in different food industries.
