10) Source of Funding:		Not Applicable		

## **B) Report**

**i. Title:** Guest lecture on "Startup Opportunities in Food Industry".

On occasion of Celebration of World Food Day

**ii. Introduction:**

World Food Day is celebrated every year on 16<sup>th</sup> October to commemorate the date of the founding of the United Nations Food and Agriculture Organization in 1945. The day is celebrated widely by many other organizations concerned with hunger and food security, including the World Food Programme, the World Health Organization and the International Fund for Agricultural Development. The Department of Food Processing Technology organized guest lecture on the topic "Startup Opportunities in Food Industry." On 16.10.2020 on the occasion of celebration of World Food Day.

**iii. Objectives of the Programme: -**

- To create awareness among students with various techniques which used in Food industry.
- To aware students for various government and non-government schemes, policies and fundings available for start-up industry.
- To create attention among the students in food security issues and related opportunities.

**iv. Details of Participates: -**

30 participants (13 Male and 17 female) attended the guest lecture.

**v. Brief Summary of Event / Session:**

Ms. Anu Singh Assistant Professor, Loknete Gopinathraoji Munde College of Food Technology, Lodga delivered a lecture on the topic "Startup Opportunities in Food Industry" where she highlighted on scope and opportunities for young entrepreneurs in start-up and funding availability in Food industry. She also explained policy and documentation process and the skills being required by the students to become a successful entrepreneur.

vi. **Conclusion, with feedback of programme:**

This lecture helped the students to understand local, regional & global job opportunities in Food Sectors. Students became more familiar about the various policies and fundings in the Food Sectors.
