iv. Details of Participants

75 students from UG and PG programs and 8 teachers and 1 non-teaching staff attended the program.

v. Brief Summary of Events/ Sessions

At the beginning of the program Dr Chandrashekhar Dawane gave introduction of the guest lecture series for UG & PG students and welcomed Dr. Rahul Pralhad Dhaware, Head Dept of English Rajiv Gandhi Mahavidyalaya. Mudkhed. , the chief guest of the function. In the guest lecture, he delivered his speech on the Need of English Language in Students' Life. English is undoubtedly an international language today. Due its global presence in almost all lifestyles, it has become more important today than ever before.

Once upon a time it was the British arrival in India that introduced English to the Indians who were expected to be better clerks for facilitating administrative purposes. However, today English has become the part and parcel of Indian life.. English in India has been the language of trade and commerce and with globalization at its height, import and export is as common as the use of English for its purpose. It is the library language and the language of education. Most parents send their children to the English medium schools.

The students are advised to opt English for their core subject at UG & PG levels. We believe that, one book, one pen and one teacher can change the world.

vi. Conclusion, with Feedback on the Programme

Students and faculties of English were enlightened by the guest lecture of Dr Rahul Dhaware . His simple and fluent style made the listeners curious to know about English Language and its need in present scenario. At the end, everyone was inspired to talk in English Language.
