Session: - I. Inauguration and key Note

INTRODUCTION

Department of Sanskrit organized a One Day National Seminar on “**प्राचीन भारतातील ज्ञानवैभव** (Knowledge Splendor in Ancient India.)” sponsored by ICSSR WRC, Mumbai on 10.10.2022. This year the Government of India is celebrating the Amrut Mahotsav of Independence. On this occasion, the Sanskrit Department took the initiative to organize a National Seminar on the Knowledge Splendor in Ancient India.

In the Indian tradition, Knowledge is not only theory, research, the original seed of thought, but the root of the entire creation is knowledge and that is also Brahm. In the modern times, as evidences are seen extensively and clearly, it is necessary to think about such important knowledge from all sides since ancient times, so it is very necessary and important to take the National Seminar of Knowledge Splendor in Ancient India. In ancient India, knowledge was in all forms like science, Music, Literature, Mathematics, Philosophy, Architecture etc. All these topics were highlighted through National Seminars. There were four sessions in total in this program. As per every session Dr. Acharya Soneraoji, Dr. Narendra Shinde and Dr. Arun Chavan were the Chief Guest in three different sessions.

Former Vice-Chancellor Dr. B.A. Chopde of BAMU University were present. He presented the features of Sanskrit language in his lecture and discussed about how much importance of Sanskrit can increase in the coming times.

In this program Prof. Somdev Shinde and Prof. Vinay Gaikwad were anchors. Prof. Jadhav sir and Prof. Ramesh sir were involved in the planning of this programme.

Welcoming the Chief Guest (Former Vice-Chancellor Dr. B.A. Chopde of BAMU University) and Chief Resource Person (Dr. Acharya Soneraoji)

Guests and Vice Principal(Prof. Sadashiv Shinde) & Principal (Dr. Mahadev Gavhane) of the college worshipping the statue of Rajarshi Shahu Maharaj

Chief Guest delivering his speech (Former Vice-Chancellor Dr. B.A. Chopde of BAMU University)

INTRODUCTORY SPEECH OF PRINCIPAL & HOD

In Inauguration function as the convenor of conference Principal Dr. Mahadev Gavhane Introduced College to participants and Head of Sanskrit Department Prof. Rajendraprasad Shashtree Introduced Sanskrit Department to participants. Rajrshi Shahu Mahavidyalya, Latur was established with a vision of pursuit of excellence in higher education. Within a short span of time, the college received social and academic recognisation which is now called as “Shahu Pattern” of Education. In his speech he said about College History. How college became Topper College in Parent University. Now days Shahu is reputed college in Maharashtra. But this journey was not easy.

Respected Vice-Principal Prof. Sadashiv Shinde sir was present as the main presence for this program.

The Head of the Sanskrit Department introducing the college and the Sanskrit Department.

INAUGURAL PRESIDENCY:-

Dr. Gopalrao Patil is the founder of Shiv Chhatrapati Shikshan Sanstha. Respected Dr. Gopalrao Patil was the president in the inaugural program of this National Seminar. He made his presidential speech in Sanskrit language from this it is known that how much respect he has for the Sanskrit language. He gave this type of message that it is necessary to propagate Sanskrit.

SESSIONS OF SEMINAR

Department of Sanskrit organized One Day National Seminar on “**प्राचीन भारतातील ज्ञानवैभव (Knowledge Splendor in Ancient India.)**” This Seminar was sponsored by ICSSR, WRC, Mumbai. On dated **10.10.2022** Seminar was conducted. The scheduled of Seminar was as follow:

Session: II, Chief Guest: Acharya Soneraoji.

Topic: Importance of Sanskrit Language.

Sanskrit was considered as "Dev Bhasha", "Devavani" or the language of the Gods by ancient Indians. The word sanskrita, meaning "refined" or "purified", is the antonym of prakrita, meaning "natural," or "vulgar. The corpus of Sanskrit literature encompasses a rich tradition of poetry and drama as well as scientific, technical, philosophical and dharma texts. Sanskrit continues to be widely used as a ceremonial language in Hindu religious rituals and Buddhist practice in the forms of hymns and mantras." It is made up of the primordial sounds, and is developed systematically to include the natural progressions of sounds as created in the human mouth. Sir William Jones (1746-1794) said: "human life would not be sufficient to make oneself acquainted with any considerable part of Hindu literature.

Sanskrit is the most ancient and perfect among the great languages of the world. Its storehouse of knowledge is an unsurpassed and the most invaluable treasure of the world. This language is a true symbol of the great Indian tradition and thought, which has exhibited full freedom in the search of truth, has shown catholicity towards universal truth. This unique language contains not only good account of wisdom for the people of this country, but it is also an unparallel and rightway to acquire proper knowledge and is thus significant for the people of entire world. The relationship between culture and language is an intimate one, for language is the vehicle of human thought. Language determines a culture's worldview. Vocabulary and syntax, with its subtle nuances and shades of meaning, determine how a culture interacts with the world. Language ultimately determines the shape of civilization.

Chief Resource Person Acharya Sonerao ji giving his speech.

Students and all those who came to present the paper participating in the National Seminar.

Chief Guest: Aacharya Soneraoji Adressing the key Note:

- ❖ There is an unbreakable bond between Sanskrit language and Indian culture.
- ❖ Sanskrit language is the oldest language.
- ❖ Sanskrit language has many Manuscripts which are the main base of ancient knowledge.
- ❖ There can be no other language like Sanskrit.

SESSION: III, TIME:- 01.PM

PAPER PRESENTATION & GUEST LECTURE.

SPEAKER- DR. NARENDRA SHINDE, TOPIC- SANSKRIT KNOWLEDGE IN ANCIENT INDIA

Dr. Nayan Kumar was in Chair in paper presentation session which was sharply started at 01.00 pm. Dr. Narendra Shinde Head of the Sanskrit Department of Shivaji Mahavidyalaya, Udgir, was the chief speaker. Various people presented their research papers in this national seminar. Students and other scholars asked many questions regarding related subjects. Some of the photos referred to are as follows.

Sr.No	Name of Paper Presenter	Theme of Research Paper
1	Prof.Omprakash Barbade	कालिदाससाहित्ये प्रेमभावनायाः अभिव्यक्तिः।
2	Dr. Arun Madhavrao Chavan	संस्कृत वाग्वैभव.
3	Prof. Mamadge Maam	भारतीय दर्शनातील ईश्वर संकल्पना.
4	Prof. Rajendra Shashtree	प्राचीन काळातील प्रशासन व्यवस्था.

Students and all those who came to present the paper presenting the paper in the National Seminar.

SPEAKER- DR. NARENDRA SHINDE, TOPIC- SANSKRIT KNOWLEDGE IN ANCIENT INDIA.

The Important points of Dr Narendra Shindes's speech:

1.) Sanskrit's linguistic ancestors are Proto-Indo-Iranian and, eventually, Proto-Indo-

European languages, implying that it can be traced historically back to people who spoke Indo-Iranian, also known as the Aryan languages, as well as the Indo-European languages, a family of several hundred related languages and dialects.

2) Panini (500 B.C.) was a significant figure in the evolution of the Sanskrit language..

3) He authored the master book of grammar known as Ashtadhyayi, which served as a lighthouse for the subsequent period, after condensing approximately 10 grammar schools prominent at the time.

4) Panini's linguistic system was followed by both literary and spoken Sanskrit.

5) An estimated 46 percent of humankind now speak an Indo-European language.

6) English, Hindi, Bengali, Punjabi, Spanish, Portuguese, and Russian are the most commonly spoken Indo-European languages, with over 100 million speakers each.

7) The written form of the language may be traced back to the 2nd millennium BCE, when the Rig Veda, a collection of holy hymns, is said to have been transcribed after being passed down orally for generations and preserved verbally in the Guru-Disciple relationship.

Chief Resource Person Dr. Narendra Shinde giving his speech.

SESSION IV
CEREMONY FUNCTION TIME 3.30 PM TO 5.00 PM

Dr. Arun Chavan, Who is the Head of Sanskrit Department at Late Laxmibai Deshmukh Mahila Mahavidyalaya, Parli was the chief speaker in this ceremony function. The Principal of Rajarshree Shahu Mahavidyalaya, Dr. Mahadev Gavhane sir presided over the ceremony function. Vice Principal of this college Prof. Sadashiv Shinde and other dignitaries were present.

Chief Resource Person Dr. Aarun Chavhan giving his speech.

Principal of the college giving the speech of the president of the concluding session.

The Important points of Dr. Arun Chavan's speech

Dr. Arun Chavan told that like yoga, Ayurveda exists within the language of the gods Sanskrit Rooted in poetic Sanskrit verses, Ayurveda had been passed down solely through the memorization of these sacred scriptures until only recently when Ayurveda began its journey beyond the borders of India. Unlike yoga, whose language and culture have been completely Americanized in this country, Ayurveda has maintained more of its traditional Indian character. It is almost impossible to study Ayurveda in the U.S. without using some Sanskrit terminology. Everyone understands vāta, pitta, and kapha, even if they're not pronounced properly. The meaning of so many Ayurvedic concepts is so deeply embedded in the language, that it would be nearly impossible to teach Ayurveda without using Sanskrit.

मनोगत

भारतवर्ष खूप प्राचीन देश आहे येथील संस्कृती व ज्ञान परंपरा खूप प्राचीन आहे. भारतात पूर्वी नालंदा, तक्षशिला, काशी आदी ठिकाणी प्रसिद्ध विद्यापीठ होते. जेथे ज्ञान ग्रहण करण्यासाठी वेगवेगळ्या देशातून विद्यार्थी येवून ज्ञान ग्रहण करीत होते. संपूर्ण जगात भारताच्या विद्वत्तेची खूप मान्यता होती. कधी काळी भारताला 'सोने की चिडिया' म्हटले जात होते. त्याच्या मागे ज्ञान वेभवाची व धन, धान्य, संगतीची परिदृश्यता व्यक्त होते. या वेभवाला हानी पोहचविण्यासाठी आपल्या भारतावर मुगल, इंग्रज, डच, फ्रेंच, पोर्तुगीज आदींनी आक्रमण करून येथील संस्कृती, ज्ञान, परंपरा आदी नष्ट करण्यासाठी खूप प्रयत्न केले. येथील विद्यापीठांच्या ग्रंथालयांना आगी लावून वैज्ञानिक व आवर्तक वृत्ताना ठार मारून ज्ञान परंपरा नष्ट करण्याचा प्रयत्न केला.

आपले अनेक प्राचीन ग्रंथी मुनी खूप विद्वान व वैज्ञानिक होते. आयुर्वेदात चरक, वाग्भट, सुश्रुत आदी नाटाचार्य भरतमुनी, गणित शास्त्रात भास्कराचार्य, व्याकरण शास्त्रात, पाणिनी, कात्यायन, पतंजली, खगोलशास्त्रात वराहीमिहोर, अक्वेभट्ट, रसायनशास्त्रात नागार्जुन, दर्शनशास्त्रात कापिल, कणाद आदी मुनींचे नाव आदराने घेतले जाते. यांच्या शोधाचा आधार घेवून आजदेखील त्यावर पुढे संशोधन चालू आहे.

संस्कृत साहित्यात काव्य, नाटक, काव्यशास्त्र आदी खूपच गंभीर व बौध्दिक आहे. अशा गंभीर विषयावर आमच्या महाविद्यालयाच्या संस्कृत विभागातर्फे 'प्राचीन भारतातील ज्ञान वेभव' या विषयावर एका चर्चासत्राचे आयोजन करण्यात आले आहे. या चर्चासत्रात अनेकांचे निबंध वाचन व विद्वानांचे व्याख्यान होणार आहेत. अशा वा महत्त्वपूर्ण चर्चा सत्राच्या यशस्वितेसाठी शिव छत्रपती शिक्षण संस्था लातूरच्या राजर्षी शाहू महाविद्यालय (स्यायत), लातूर व पश्चिम विभागाचे केंद्र भारतीय सामाजिक विज्ञान व अनुसंधान परिषद मुंबई यांच्या संयुक्त विद्यमान एक दिवसीय राष्ट्रीय चर्चासत्राचे आयोजन करण्यात आले आहे. ज्यांच्या सहकार्याने ही राष्ट्रीय कार्यशाळा आयोजित करण्यात आली आहे त्यांच्या सहकार्याबद्दल मी त्यांचे आभार मानता व कार्यक्रमाच्या सफलतेसाठी व स्मरीणक्रिया प्रकाशनासाठी शुभेच्छा व्यक्त करता.

प्राचार्य, डॉ. महादेव गव्हाणे
