### Report of Activity:

District level Sanskrit song singing competition was organized by the Department of Sanskrit on 28.08.2023. Students was participate in this competition in two way one of them a group. Second is individually from the School and college. Many students participated in this competition. Students presented different Sanskrit songs, stotras etc. Everyone deservedly got marks on the basis of timing, pronunciation and singing. There were two testers for this competition. The names of the winning contestants were announced at the end of the competition.

The Science of music arose through the Sanskrit language. For this reason there has been a close relationship between music and Sanskrit language. We see many examples of this. Students should think about how the music existing in Sanskrit language can be used in modern time, this topic should be discussed.

### VI. Conclusion, with Feedback on the Programme:-

The students were greatly benefited from this program. The students presented their views on the program orally. We should have many such programs in front of us, expressed this kind of idea.

### Outcome of competition:

- Got information about how to use Sanskrit music in life.
- Students get knowledge about recent job openings in Sanskrit as well as how to prepare for it.
- The students got to knowledge about the importance of Sanskrit language.
