Report of Program:-

The resource person had guided on Importance of Ayurved in Holistic Health and *it's* utility in modern times. He said that Ayurved has been given utmost importance in the NEP (New Education Policy). Ayurveda tells us to be healthy. It is more important than what to do after getting sick, how not to get sick. The rules of Ayurveda are applicable in the world even today, it means how important knowledge our ancestors have given about health.

How can we use Ayurveda in modern times and provide good health to Indian people, this topic should be discussed. Medical students should pay attention to this and put a good solution in front of India.

VI. Conclusion, with Feedback on the Programme:-

The students were greatly benefited from this program. The students presented their views on the program orally. We should have many such programs in front of us, expressed this kind of idea.
