10) Source of Funding:	NSS, RSM, Latur			

B) Report

i) **Title:** Environmental conservation

ii) **Introduction:**

The environment we live in is exposed to various harmful elements causing degradation to a very large scale. Loss of forest, extinction of various animal and plant species both in land and water, increase land, air and water pollution, large scale extraction of renewable and non-renewable resources, decrease in fresh air and water, etc. needs special human attention. The various activities taken up by NSS department in their endeavor to enrich the environment and also protect it from further degradation. NSS has given a very conducive platform for students (volunteers) to contribute to the society by protecting the environment through their activities which includes observance of world environment, plantation of trees, cleaning of roadsides and Integrated Check Post campus, construction of sanitary latrines and urinals, cleanliness drive in town etc. It also creates a sense of awareness and responsibility among the volunteers to protect and enrich the natural environment for the benefit of the larger community.

iii) **Objectives**

- To create a sense of awareness and responsibility among the volunteers.
- To protect and enrich the natural environment for the benefit of the larger community.

iv) **Details of Participants: 69**

69 participants participated in the program.

v) **Brief Summary of the Event:**

NSS has given a very conducive platform for students (volunteers) to contribute to the society by protecting the environment through their activities which includes observance of world environment, plantation of trees, cleaning of roadsides and Integrated Check Post campus, construction of sanitary latrines and urinals, cleanliness drive in town etc. It also creates a sense of awareness and responsibility among the volunteers to protect and enrich the natural environment for the benefit of the larger community. During 2018-19 NSS department has undertaken various Environmental conservation related activities in the Latur district. Program Officer Dr. Kalyan Savant, Dr. Pushpalata Trimukhe and Peon Staff have taken efforts for the success of the abhiyan.

vi) **Conclusion with feedback on the Program:**

Students get aware about the Environmental conservation.
