## B) Report

i) **Title:** Poster Presentation Competition and AIDS Awareness rally

ii) **Introduction:**

**AIDS disease** is caused due to HIV. Anyone can contract this disease, which is why it is important for students to be aware about how to protect themselves and prevent the transmission of HIV. World AIDS Day, designated on 1 December every year since 1988, is an international day dedicated to raising awareness of the AIDS pandemic caused by the spread of HIV infection and mourning those who have died of the disease.

iii) **Objectives**

1. To stop spread of HIV infection
2. To empower and increase the awareness to participants of HIV/AIDS management systems.
3. To encourage early testing and lifestyle changes that will thereby reduce and prevent further infection.

iv) **Details of Participants:**

Total 139 NSS Volunteers and 03 Pos participated in this program.
