10) Source of Funding:	NSS, RSM, Latur			

B) Report

i) Title: HIV antigen Testing and Awareness Program

ii) Introduction:

HIV is a disease that does not discriminate. Anyone can contract this disease, which is why it is important for students to be aware about how to protect themselves and prevent the transmission of HIV. World AIDS Day, designated on 1 December every year since 1988, is an international day dedicated to raising awareness of the AIDS pandemic caused by the spread of HIV infection and mourning those who have died of the disease.

iii) Objectives

1. To stop spread of HIV infection
2. To empower and increase the awareness to participants of HIV/AIDS management systems.
3. To encourage early testing and lifestyle changes that will thereby reduce and prevent further infection.

iv) Details of Participants:

Total 66 NSS Volunteers and PO participated in this program.

v) Brief Summary of the Event:

Department of NSS organized a HIV antigen Testing and Awareness Program on 26-08-2019 in coordination with District HIV office, Latur, in Rajarshi Shahu Mahavidyalaya, Latur. Smt. Shinde M. V. and her assistants tested the students for HIV Infection and guided the students about causes of HIV infection. About 66 students are tested for HIV Infection with the help of antigen test. Program Officers, Dr. Kalyan Sawant, Dr. Pushpalata Trimukhe, Dr. S.V.Patil, Prof. Vijay Gawali, Prof. Somdev Shinde took efforts to make this program successful.

vi) Conclusion with feedback on the Programme:

About 66 students took benefit of the testing camp. NSS volunteers realized the causes of HIV/AIDS infection, its impact, management and availability of support systems.
