## B) Report

i) **Title:** 31<sup>st</sup> Road safety Program

ii) **ii) Introduction**

Everybody is a road user in one shape or the other. The present transport system has minimized the distances but it has on the other hand increased the life risk. Every year road crashes result in loss of lakhs of lives and serious injuries to crores of people. In India itself about eighty thousand people are killed in road crashes every year which is thirteen percent of the total fatality all over the world. Man behind the wheel plays an important role in most of the crashes. In most of the cases crashes occurs either due to carelessness or due to lack of road safety awareness of the road user. Hence, road safety education is as essential as any other basic skills of survival.

ii) **Objectives**

1. To provide road safety information for road users
2. To encourage safer road user behaviour among current and prospective road users and
3. To reduce the number of people killed and injured on our roads every year

.iii) **Details of Participants:** 147 volunteers and 03 Program Officers participated in the program
