B) Report

i) Title: 7000 Tree Plantation at Sakhra

ii) Introduction:

Tree Plantation drives combat many environmental issues like deforestation, erosion of soil, desertification in semi-arid areas, global warming and hence enhancing the beauty and balance of the environment. Trees absorb harmful gases and emit oxygen resulting in an increase in oxygen supply. Trees represent life, growth, peace and nature. They produce oxygen, clean soil, prevent drought, control flood related disasters, prevent soil erosion, improve physiological, mental and spiritual health, and also reduce carbon footprints. Keeping this in mind the NSS department of Rajarshi Shahu Mahavidyalaya (Autonomous), Latur organized Tree Plantation program at Sakhara on 25th Sep. 2022.

iii) Objectives

1. To plant trees to maintain the balance of the environment.
2. To create environmental awareness among the students.
3. To make students to know the importance of tree plantation.

iv) Details of Participants: 1600

Total 1600 participants were present for the Tree Plantation.
