

Tree plantation

08 Aug 2019

In order to sensitize students towards the need to preserve our environment and ecology, tree plantation drives are organized in the department from time to time. One such drive was held on 8th Aug. 2019, during which trees were planted around the area of Department of Biotechnology, Hudco corner M.I.D.C. Latur. This activity was organized by Bio-spirit Association, a student association formed by the department. Head, department of biotechnology Dr. S. S. Kulkarni, Association Coordinator Dr. R. B. Ade, Association president Mr. Rushikesh Chavan, Vice-President Mr. Deepak Pawar and all other members of association, teaching and non-teaching staff were present on the occasion and they planted numerous trees like *Banyan Tree*, *Neem Tree*, *Peepal Tree*, *Mahogany*, *Kadamb* etc. which maintain the ecological balance and biodiversity.
