B) Report

- i. **Title:** -One Day Industry Academia Workshop on Advance Techniques in Pharma Industry
- ii. **Introduction:** -
The Industry-Academia Workshop is a connection with industry requirements and university partners in pursuit of timely themes in applications and advance technique used. Department of Biotechnology hosts such workshop every year for the students of Final year with experts from academic institute and industry to discuss their work and spark new ideas and activities.
- iii. **Objective**
 - To increase awareness and exposure to new technologies.
 - To increase opportunities to enhance the knowledge base of employees.
 - To expand research and learning opportunities for postgraduate students.
- iv. **Details of Participants**
58 Students (Male 28 and Female 30)
- v. **Brief Summary of Events/ Session**
Department of Biotechnology organizes one-day Industry Academia Workshop. Two resource persons Mr. Rushikesh Chavan from Lupin Pharma and Mr. Asif Tamboli from Hetero Pharma has worked as industry experts for the workshop. Total 58 PG students were participated in this workshop. Students were divided into two batches. Mr. Rushikesh Chavan explained and gave overview on HPLC, one of the advanced techniques in pharma industry. Mr. Asif Tamboli from Hetero Pharma explained basic and advanced chromatographic techniques used in pharma industry. Both resource persons were the strong alumni of this department, both of them promised to take such workshop in future also.
- vi. **Conclusion, with feedback on the Lecture**

The industry Academia Workshop was really benefited to all the students who are interested in doing their carrier in Industry as both the techniques are most important in many Pharma and Biopharma industry. The participants cleared their doubts and queries regarding the HPLC and Chromatography.
