## **B) Report**

### **i. Title**

Workshop on “At Career Crossroads”

### **ii. Introduction**

The Pandemic is prompting professionals in the country to rethink their career paths with many looking at switching industries as well as upskilling themselves to advance in their careers. The Workshop on “At Career Crossroads” in Biotechnology aims to help the students to be acquainted with different career opportunities in the field of Biotechnology and Food Processing Technology. The Workshop was organised by Department of Biotechnology and Food Processing Technology, Rajarshi Shahu Mahavidyalaya (Autonomous), Latur on 04.04.2022

### **iii. Objectives of the Programme/ issues addressed**

- To create awareness among students about various specialization and career opportunities in Biotechnology and Food Processing Technology.
- To educate students, range of science career options available to them, what to expect on these career paths, and potential for growth.
- To conduct interactive session for students with professionals who can share their valuable knowledge and experience in the field they are serving.
- To promote education, research and Bio-entrepreneurs in Biotechnology.

### **iv. Details of Participants**

163 Participants (86 Male and 77 female) attended the Programme.

### **v. Brief Summary of Events/ Sessions**

Mrs. Snehal Jamalpure (Lakka) guided the students about different career opportunities in Biotechnology and Food Processing Technology. She motivated them to become a Bio-entrepreneur, Researcher, Medical Writer, and Scientific Advisor, by giving the live examples of People familiar to Students. She also illustrated the students, how one can opt for these career options. She explained briefly, how social media platforms like LinkedIn can be used to grab a best possible job for oneself.

vi. **Conclusion with Feedback on the Programme**

The Workshop covered different Career opportunities in the field of Biotechnology & Food Processing Technology. The Workshop was beneficial for UG and PG students of Biotechnology & Food processing which will help them to choose the best career and prosper with glittering future.
