

Shiv Chhatrapati Shikshan Sanstha's Rajarshi Shahu Mahavidyalaya (Autonomous), Latur Department of Biotechnology & Food Processing Technology A) Summary Report

1) Title of Programme:		A Guest Lecture on "Role of Biotechnology in Nation Building: An Overview"			
2) Name of Organising Department/Unit:		Department of Biotechnology & Food Processing Technology			
3) Name of the Coordinator(s)/ Convener(s)/ Organiser(s) of the Programme:		Principal: Dr. M. H. Gavhane Joint Vice-Principal: Prof. S. N. Shinde Head of Department: Dr. S. S. Kulkarni Co-Ordinator: Mr. S. M. Bansode Mr. K. R. Gaikwad			
4) Date(s) of the Programme:		14 th November 2022			
5) Venue/ Mode:		(Online Mode) Microsoft Teams			
6) Target Group:		B.Sc. & M.Sc. Students			
7) Number of Participants: 26		Male	Female	Total	
A separate list with	Teaching	03	02	05	
signatures be maintained in	Non-	00	00	00	
the department/Unit)	Teaching				
	Students	10	11	21	
8) Name(s) and details of Resource Person(s), if any:		Dr. R. B. Shinde Department of Zoology, Shri Pundlik Maharaj Mahavidyalaya, Nandura, Dist. Buldana			
9) Total Expenditure for the Programme:		Nil			
10) Source of Funding:		Not Applicab	Not Applicable		

B) Report

i. Title

A Guest Lecture on "Role of Biotechnology in Nation Building: An Overview"

ii. Introduction

Over few years, we have seen a very encouraging growth in the Biotechnology Sector. This has been primarily due strong foundation, which has been established over decades from research and education to translation and product development. The Webinar on occasion of Biotechnology Day Celebration titled "Biotehnology Growth in India – An exciting journey" aims to assist students to familiarize with growth of Biotechnology in India over the past years. The Workshop was organised by Department of Biotechnology and Food Processing Technology, Rajarshi Shahu Mahavidyalaya (Autonomous), Latur on 14.11.2022.

iii. Objectives of the Programme/issues addressed

- > To create awareness among students about various specialization and technological upgradations in the Biotechnology Field.
- > To educate students about various career options in the field of Biotechnology.
- > To promote high level industry oriented and applied research in Biotechnology.

iv. Details of Participants

26 Participants (13 Male and 13 female) attended.

v. Brief Summary of Events/Sessions

Dr. R. B. Shinde guided the students about the Biotechnology Growth in India. He explained the widespread applications of Biotechnology across multiple industries like food, Pharmaceutical, chemical, textiles, medicines, nutrition, environmental conservation and animal sciences. He also directed students about the ample of opportunities for qualified professionals in the field of Biotechnology.

vi. Conclusion with Feedback on the Program

The guest lecture covered all the milestones in Biotechnology with its spread over the years.

The guest lecture was beneficial for UG and PG students of Biotechnology which will help them to explore the different career opportunity and prosper with shinning future.
