#### B) Report

I. **Title: -**One Day Industry Academia Workshop on Tools and Techniques used in Medical Coding Industry.

#### II. Introduction: -

The collaboration or partnerships of industry-academia are helpful in creating a skilled workforce as well as advancing in research as per industrial need. It also brings together the quality of education in terms of excellence, modernization, collaboration and self-reliance and many more. Department of Biotechnology has been contributing towards the development of students, publications of cutting-edge research studies and several policy briefs on various important topics by inviting senior industry professional to share their rich experience with students. Students also learned application of theoretical concepts in practice through such sessions.

### III. Objective

- To increase awareness and exposure of new software and tools used in medical coding.
- > To increase opportunities to enhance the knowledge base of employees.
- > To expand research application and theoretical concepts in practice in dry lab.

## IV. Details of Participants

85 Students (37 Male and 48 Female)

## V. Brief Summary of Events/ Session

Department of Biotechnology organizes one day Industry Academia Workshop. The resource persons for this program Mr. Navnath Rathod from Gebbs healthcare Solutions Pvt.Ltd. worked as industry experts. Total 85 students were participated in this workshop. Students were divided into two batches. In the first half sir explained the concept and importance of medical coding and the carrier opportunities. In second half sir showed how to use of tools and software in medical coding and their applications. The resource person was strong alumni of this department, sir has promised to take such workshop in future also. Head department of Biotechnology Dr.S.S.Kulkarni gave an introductory speech; Convener Mr. S.D.Kadam introduced the Guest Speaker and Dr. M.A.Dhotre deliver vote of thanks after the program.

## vi) Conclusion, with feedback on the Lecture

The industry Academia Workshop was really benefited to all the students who are interested in doing their carrier in medical coding, students also gain the knowledge of software and tools and their uses in medical coding. The participants cleared their doubts and queries during this session.
