B) Report

- i. **Title:** Workshop on Professional Development Programme on Teaching Digital Skills in Higher Education

ii. Introduction:

Conferences, seminars and workshops are a regular feature at the campus providing a forum for presenting research work and discussing important issues of global interest and they hold great importance of life of a student. They are platforms not only to learn new aspects, others perspectives and latest information, but also a good way of networking. For paper advertisement of Conferences, seminars and workshops we need to make E-content/Infographic/poster. It is an important marketing tool because they are an effective way to reach a large number of people in a short amount of time. The Workshop on Professional Development Programme on Teaching Digital Skills in Higher Education aims to helps the teacher faculty to understand how to make E-content/Infographic/poster for conferences and seminar by using Piktochart (<https://piktochart.com/>) and PowToon (<https://www.powtoon.com/>) infographic application. The Workshop was organized by Department of Biotechnology and Food Processing Technology on 05th August 2022.

iii. Objectives of the Programme:

- To understand the use of Piktochart and PowToon infographic application ho make E-content/Infographic/poster
- To creates animated videos for personal, educational (E-Content), or business/professional use.
- To create presentation slides, posters, flyers, infographics.
- To use infographics to explain rules or clarify a process.

iv. Details of participants:

11 participants (Male 07 and Female 04) attended the Programme.

v. Brief summary of Events/ Session:

Resource person Mr. Akash Waghmare, Asst. Prof. of Dept. of Biotechnology and Food Processing Technology, Rajarshi Shahu Mahavidyalaya (Autonomous), Latur explained and guided the participants about different methodologies and applications like Piktochart that can be used for making presentation and flyers to make conference, seminar and workshop more effective. He also explained about the different tools used for making presentation more effective.

vi. Conclusion, with Feedback on the Programme:

The workshop covered different tools and methodologies that can be used to make flyer and posters in better way in both. The workshop was beneficial to teachers which will help them to upgrade their skills required in research field and various different sectors of educating and learning.
