B) Report

I. Title

Parent-Teacher Interaction Meeting for PG First Year Students.

II. Introduction

The Parent-Teacher Meet (PTM) is an important academic activity that strengthens the communication between parents and faculty members for the holistic development of students. It provides a platform to discuss students' academic progress, attendance, discipline, and overall performance, while also addressing parents' concerns and expectations.

The Department of Biotechnology, Rajarshi Shahu Mahavidyalaya, Latur (Autonomous) organized a Parent-Teacher Meet on 27th July 2023 to foster effective interaction between parents and teachers and to enhance collaborative efforts towards students' academic success and personal development..

III. Objectives of the study visit: -

- To inform parents about their wards' academic performance and attendance.
- To discuss students' strengths, weaknesses, and areas for improvement.
- To create awareness among parents regarding curriculum structure and evaluation system.
- To strengthen coordination between parents and faculty members.
- To motivate students through joint efforts of parents and teachers.

IV. Detail of Participants

Total 31 students participant (15 Male and 16 Female) participated in programme.

V. Brief summary of event/session

The Parent-Teacher Meet was conducted in a cordial and interactive atmosphere in the Department of Biotechnology. The meeting began with a brief introduction by the Dr. S. S. Kulkarni, Head of the Department, highlighting the importance of parental involvement in students' academic journey. Faculty members discussed students' academic performance, internal assessment marks, attendance records, laboratory performance, and classroom participation.

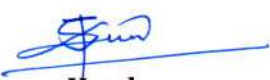

Parents were encouraged to share their observations, concerns, and suggestions regarding their wards' academic progress and overall development. Faculty members provided guidance on study habits, time management, and career planning in the field of biotechnology. Special attention was given to students requiring academic support, and suitable remedial measures were discussed. The interaction helped build mutual understanding and trust between parents and teachers.

VI. Conclusion with feedback on the Programme

The Parent-Teacher Meet was conducted successfully and achieved its intended objectives. Parents appreciated the transparency in academic discussions and the supportive approach of the faculty. The meeting helped strengthen parent-teacher collaboration and contributed positively towards improving students' academic performance and discipline. Overall, the programme was found to be effective and beneficial for students' holistic development.
