Bj Report

i. Title: Poster Presentation Competition on the theme “Implementation of NEP-2020”

ii. Introduction:

Under NEP 2020, Department of Biotechnology has organized Poster presentation competition which is a great visual platform to share information, inspire creativity, innovation and network with experts and non-experts. Poster presentation promotes students research efforts, sharpen student presentation skills and lead to increased visibility within the research community. Posters can be exhibited as stand-alone methods to raise awareness or they can be used to draw an audience in and encourage them to talk to you or take part in a demonstration. The Department of Biotechnology organized the Poster Presentation Competition on the theme “Implementation of NEP-2020” on 05.08.2023.

iii. Objectives of the Programme:

The goal of this Program is

- To learn presentation skills.
- To raise an awareness of an issue in a visual manner.
- To improve the creative ideas among the students to make presentation more innovative.
- To develop communication skills while explaining the topic.

iv. Details of participants:

91 Participants (45 Male and 46 Female) attended the Programme.

v. Brief summary of Events/ Session:

Dr. Nishant Pimple, Asst. Prof. inaugurated the competition at departmental library of Department of Biotechnology. Students actively participated and showed their creative ideas in poster presentation competition on the theme “implementation of NEP -2020” . The internal assessment members Dr, Manisha Dhotre and Prof.U.P.Sirdeshmukh visited the poster exhibition and appreciated the students for the efforts taken for making the posters .The platform was kept open for other students for discussion .

vi. Conclusion, with Feedback on the Programme:

The students got acquainted with National Education Policy which help them to get their doubts cleared about changes in their curriculum in tune with NEP 2020 .
