

**Shiv Chhatrapati Shikshan Sanstha's  
Rajarshi Shahu Mahavidyalaya, Latur (Autonomous)**

**Department of Biotechnology**

**A) Summary**

1) Title of Programme:		Seminar on "Competitive Exams in Life Sciences"		
2) Name of Organizing Department/Unit:		Department of Biotechnology		
3) Name of the Coordinator(s)/ Convener(s)/ Organizer(s) of the Programme:		Chief Organizer: Dr. M. H. Gavhane Joint Chief Organizer: Prof. S. N. Shinde Convener: Dr. S. S. Kulkarni		
4) Date(s) of the Programme:		21 <sup>st</sup> December 2024		
5) Venue/ Mode:		Dept. of Biotechnology, R. S. M. LATUR		
6) Target Group:		B.Sc. & M.Sc. Students		
7) Number of Participants:		Male	Female	Total
A separate list with signatures be maintained in the department/Unit)	Teaching	03	01	04
	Non- Teaching	00	00	00
	Students	60	73	133
8) Name(s) and details of Resource Person(s), if any:		Mr. Lalji R. Kannoujiya, Faculty, The Institute for Advanced Studies (IFAS), Pune.		
9) Total Expenditure for the Programme:		Nil		
10) Source of Funding:		Not Applicable		

## **B) Report**

### **I. Title**

Seminar on “Competitive Exams in Life Sciences”

### **II. Introduction**

The seminar on “Competitive Exams in Life Sciences” was organized with the aim of equipping undergraduate (UG) and postgraduate (PG) biotechnology students with the knowledge and skills necessary to excel in various competitive examinations. The event served as an informative platform to discuss the diverse opportunities available in the field of life sciences and provided insights into strategies for achieving success in national and international examinations. The seminar brought together students and private educators to foster a deeper understanding of the exam structures, syllabus, and preparation methodologies. It also emphasized the significance of research aptitude, problem-solving abilities, and time management skills for cracking competitive exams such as IIT-JAM, CSIR-NET, GATE, DBT-JRF, ICMR-JRF, and others. This initiative aimed to inspire and motivate students to pursue excellence in their academic and professional journeys, ensuring they are well-prepared to meet the challenges of a rapidly evolving scientific landscape. The seminar was organized by the Department of Biotechnology, Rajarshi Shahu Mahavidyalaya, Latur (Autonomous) on 21.12.2024.

### **III. Objectives of the Programme**

- To inform UG and PG biotechnology students about the various competitive examinations in life sciences, such as IIT-JAM, CSIR-NET, GATE, DBT-JRF, ICMR-JRF, and others.
- To provide insights into the syllabus, pattern, and structure of competitive exams.
- To emphasize the importance of research aptitude, critical thinking, and analytical skills required for these examinations.
- To explore the opportunities and career paths available after qualifying for competitive exams.
- To create awareness among students about various opportunities in Biotechnology.
- To motivate and orient students to qualify different competitive examination in biotechnology to choose a better career in future.

#### IV. Details of Participants

Total 133 Student participants have attended this program (Male 60 and Female 73).

#### V. Brief Summary of Events/ Sessions

The faculty member, Mr. Lalji R. Kannoujiya, at The Institute for Advanced Studies (IFAS) in Pune, introduced students to a variety of competitive examinations that are crucial for advancing in the field of Biotechnology. He covered key exams such as the Graduate Aptitude Test in Engineering (GATE), the Indian Council of Agricultural Research (ICAR) exams, and the National Eligibility Test (NET) for eligibility in research fellowships and lectureships. These exams are gateways to pursuing higher education, including master's and doctoral programs, as well as research opportunities in Biotechnology. Moreover, he encouraged students to stay informed about current trends in Biotechnology and develop effective strategies for managing exam-related stress. Through his insights, Mr. Kannoujiya equipped students with both the knowledge and practical tools needed to navigate these challenging exams successfully.

#### VI. Conclusion, with Feedback on the Programme

The guest lecture provided valuable insights into the various competitive examinations available in the fields of Biotechnology and Life Sciences, benefiting both undergraduate (UG) and postgraduate (PG) students. By exploring different exams such as GATE, ICAR, and NET, the lecture equipped students with a comprehensive understanding of the requirements, structures, and objectives of these tests. This knowledge will help them make informed decisions about their academic and professional paths, whether they are aiming for higher education or research opportunities. The session not only clarified the significance of these examinations but also guided students on how to approach them effectively, making it a crucial resource for their future academic pursuits.
