B) Report

i) Title: Impact of Women Education in the Growth and Development of India.

ii) Introduction:

Department of Botany organized the interactive session on Impact of Women Education in the Growth and Development of India. The Women must be educated for a healthy and a happy life. An educated woman can be a better human being, successful mother and a responsible citizen. Educating women will definitely increase the living standard both at and outside home. An educated woman will force her kids to study further and wish them to live a better life. Educating women results in promoting self-respect and also helps in raising the status of women. An educated woman will be aware of her rights. She can fight against social evils such as domestic violence, dowry demand, low wages etc.

iii) Objectives of the Programme / issues addressed:

1. To promote an education of girl children
2. It enhance the quality of women's life.
3. To enables women to face the challenges, to confront their traditional role and change their life
