B) Report

i) **Title:** Celebration of World Nature Conservation Day

ii) **Introduction:**

The theme for this year's World Conservation Day 2022 was **'Forests and Livelihoods: Sustaining People and Planet'**. World Nature Conservation Day is observed on July 28 every year. The objective is to spread awareness regarding the preservation of nature and biodiversity for a healthy environment which is required for stable and prospering humankind. It is also marked as the day to create positive opinions about climate change. One of the major efforts of World Nature Conservation Day is to aware the society about the importance of flora and fauna that are threatened with extinction. This special day emphasizes preserving several components of nature. It also aims to preserve the environment for posterity. The motto behind observing July 28 as World Nature Conservation Day is to create awareness about the importance of conserving the nature.

iii) **Objectives of the programme:**

- 1) To spread awareness regarding the preservation of nature.
- 2) To create positive opinions about climate change.
- 3) To conserve animals and plants that are threatened with extinction.
- 4) To develop an attitude of concern for the environment.

iv) **Details of participants: 50 (Male-14 and Female-36)**
