## B) Report

- i) **Title:** Short Excursion
- ii) **Introduction:** The field visit and study tour encourages students to immerse themselves in overseas study environment, exposing students to campus life and culture. It promotes experimental learning with direct experience. Apart from building academic capability, study tour also aims at building life skills such as team work, communication, problem solving skills and discussion making that are only obtained through life experience. This programme gives students the opportunity to learn the techniques of nursery and gardening. Hence, Department of Botany Short Excursion at Mukundraj, Ambajogai for B.Sc. I students.
- iii) **Objectives of the programme:**
1. To study the flora of Mukundraj, Ambajogai.
  2. To collect the plant materials for Preparation of Herbarium.
  3. Reinforce experiential and contextual learning.
- iv) **Details of participants: 11 (Male- 03,Female-08)**
- v) **Brief summary of Events:**
- The journey of Short Excursion started from Rajarshi Shahu Mahavidyalaya (Autonomous), Latur to Ambajogai. The Teachers along with students departed from college campus at 09:00 am and arrival to Ambajogai at 10:30 am. Dr. K. D Sawant Introduced Students to Mr. Shivshankar Chapole. Mr. Shivshankar Chapole Introduced Biodiversity of plants present at Mukundraj. The students observed the biodiversity of plants and collected plant material like Algae, Bryophytes, Pteridophytes and Angiospermic plants for the preparation of Herbarium and for project work. At the end in evening students enjoyed a side scene of Hattibet and came back to Latur at night.
- vi) **Conclusion:** The students learn about the Biodiversity of nature. They came to know the importance of Biodiversity. The students became familiar about biodiversity of Mukundraj, Ambajogai.
- vii) **Any Appendix if Necessary:**
