### **ii. Introduction**

Students of Marathwada region had ocean of potential but they are lagging behind in Communication and to choose the career in science field because of no appropriate guidance. The Resource Person of workshop was Dr. Manmohan Bajaj, Product Manager, BIOGENE INDIA, New Delhi. This workshop aims to create awareness about Scientific Communication and Career in Science field after graduation.

### **iii. Objectives of the Programme/ issues addressed**

- To create awareness about Scientific Communication.
- To know the information about Career in Industry, Research Institute etc. after Science graduation.

### **iv. Details of Participants**

Total number of Participants 250 participants

**Sex Ratio-** Male: Female (1:2)

**Geographical representation:** Maharashtra & Karnataka

### **v. Brief Summary of Sessions**

One day workshop on “**Scientific Communication and Career**” was organized by the Department of Chemistry & Analytical Chemistry on **5<sup>th</sup> March 2021** for Students. Chief Guest of program was Dr. Manmohan Bajaj, Product Manager, BIOGENE INDIA, New Delhi.

Dr. Manmohan Bajaj guided thoroughly about the nature of work in industry, Research institute, what are the skills to be adapted to do work in Research Institute, how to face the challenges while working. This workshop will help for the placement in industry and Research institute. Participants acquainted with the career opportunities in industry and Research institute and learned how to face the interview by attending this important workshop. The conclusive remark was given by Chairperson Prof. Sadashiv Shinde ,

**vi. Conclusion, with Feedback on the Programme:**

This workshop will be helpful for the placement in industry and Research institute. Participants cleared their doubts in interactive session.

Participants were acquainted with the career opportunities in industry and Research institute and learned how to face the interview by attending this important workshop.
