B) Report

i. Title

National NPTEL Awareness E-Workshop

ii. Introduction

One Day “National NPTEL Awareness E-Workshop” was organized by Department of Computer Science In association with Builders Engineering College, Erode Tamil Nadu & NPTEL , IIT Madras. This Workshop was inaugurated on the 03rd February 2023 in presence of the chairperson of workshop Prof S N Shinde, guest of honour Dr S Gopalkrishanan Principal Builders Engineering College, Resource Person Ms Bharati Senior Project Manager IIT Madras, S Shrawanan SPOC Builders Engineering College, SPOC Dr Renuka Londhe RSML and Ms Priyadarshini Project Manager NPTEL IIT Madras, This workshop was conducted on online ZOOM Platform with YouTube live. 356 participants including students & teachers participated in this workshop.

iii. Objectives of the Workshop

- To create awareness about online learning among the students
- To encourage students to enrolment for MOOCs
- To highlight the importance of NPTEL Certification courses, domain certificate courses, job-oriented courses, soft skill workshops and NPTEL Stars.

iv. Details of Participants: 356 Participants from various institutes from all over India.

v. Brief Summary of Event

- In the beginning Dr. S Shrawanan given the concept of the workshop and called Dr S Gopalkrishanan , Guest of honor.
- Dr. S Gopalkrishanan given introduction about Builders Engineering College Erode and given the best wishes to the workshop.
- Prof S N Shinde given the introduction of Rajarshi Shahu Mahavidyalaya (Autonomous) Latur and highlighted the key-points of various programs run by the college.
- Dr Renuka Londhe SPOC RSM Latur delivered local chapter impact at the college.
- Dr. Bharati Senior Project Manager addressed the participants about the NPTEL certified courses. During the workshop she covered topics like domain certification, job-oriented courses, soft skill workshops and NPTEL Stars
- Dr. Bharati further explained that the present situation of employment is not good as there is huge gap between education system and industry requirements, many of us are fail to get employment due to lack of skills and practicality which are demanding in industries and hence to curb this situation student should complete courses launched by NPTEL.
- She also provided the information regarding the internship programs, if the students have qualified the NPTEL online exam with very good score then that students can internship in IITs or IISc

- Dr. Renuka Londhe proposed the vote thanks.

vi. Conclusion, with Feedback on the Programme

- SWAYAM-NPTEL is a great initiative for providing access to quality education for everyone
- NPTEL is immense resource of knowledge and one of the best platforms for technical students to explore the course, despite of not having any other resource.
- Apart from taking only technical knowledge other skills like way of speaking, posture, maintaining composure, being polite and humble can also be learn from the course instructors by the students.

vii. Any Appendix if necessary: Certificate of participation & Letter of association attached
