Title: One day workshop

“Women Empowerment through Digital Literacy

Organizer: Dr. R. R. Londhe

Date: 17 December 2019

Venue: Auditorium

Introduction: Maharashtra State Commission for Women and Rajarshi Shahu Mahavidyalaya Latur (Autonomous) came together to increase digital literacy among rural women. Their initiative, develops local women trainers to train other women on how to use the internet, which in turn helps them improve their income and overall quality of life. The workshop is organized by Department of Computer Science on 17 December 2019, empowering women to become entrepreneurs and service providers in their community.

Objectives of the Programme/ issues addressed:

To Empower local rural women about Digital Literacy.

Details of Participants: Women from nearby places and PG female students participated in workshop.

Brief Summary of Events/ Sessions:

In the First session ,The Workshop was inaugurated by the auspicious hands of Honourable Dr. Gopalrao Patil, Mrs. Ashatai Bhise Ex member of State Women Commission of Maharashtra. After that the welcome ceremony is organized.The resource person for the Workshop was Mrs Archana Somani.

This program was introduced by Prof. Dr. R.R. Londhe. The introduction started with information about Department and aim of workshop. Principal of College introduce the College.

After speeches of dignitaries. Presidential address was given by Dr. Gopalrao Patil in inaugural Function. Although the Digital India Mission is aimed at bridging the digital divide across all sections of the society, the digital literacy programs led by our college has been attracting women in significant numbers from all segments of the society. Whether they have had to curtail their education

plans or could not pursue careers or got relegated in their families, when it came to access to digital devices because of the traditional hierarchy of priority status accorded to various members of the family, digital literacy mission is providing them with an avenue to come out of the shadows and establish equal status in the digital space.

Mrs. Archana somani addressed the participants on following issues:

1. Introduction to Maharashtra State Commission for Women and its objectives.
2. What is Digital Literacy?
3. Use of smart phone
4. Reading and writing E-mails
5. Use of Internet
6. Government Services
7. Digital Payments
8. Cyber Security
9. Also provide some brief information of various applications such as UMANG, NAMO, CBSE Board app, electrical light bill payment , digi locker, Tejaswini app, BHIM app.

There were 385 women present for the workshop and 60 college staff members are also attended and benefited from the workshop. Vote of thanks are given by Mrs. Kiran M. Pradhan of Department.

Conclusion, with Feedback on the Programme:

With the current mission of the workshop to make womens digitally literate, the primary stakeholder who would benefit most from the orientation and exposure they would get, would be the women.
