## **B) Report**

### **i. Title**

Capacity Building and Personality Development for Female Students

### **ii. Introduction**

In an endeavour to make women independent and employment ready, The National Commission for Women has launched a country wide Capacity Building and Personality Development for women undergraduate and postgraduate students. As a part of this the Department of Computer Science has organized Capacity Building and Personality Development for Female Students on 22<sup>nd</sup> February 2022 at 10:00 A.M.

### **iii. Objectives of the Workshop**

- To develop Professional Career skills.
- To inculcate Personal Capacity Building.
- To aware the students in Digital Literacy & effective use of social media.

**iv. Details of Participants:** Total 295 Female Students 07 Faculty Members

### **v. Brief Summary of Event:**

- The program was inaugurated by the auspicious hands of Dr. Sumita Roy, Former Head, Department of English, Osmania University, Hyderabad Telangana, India. Dr. Sumita Roy in the inaugural speech stated that gender is only limited to the physical and biological difference, the mind & spirit has no difference. In the field of Education, we cannot differentiate men & women. Being Women one should not demand any sort of privilege rather should stand up as a human being, she added further.
- In the presidential address Prof. S. N. Shinde said that on all front female individuals are competing equally with male individuals rather female individuals are performing quite better than male. By naming some of the female astronauts like Sunita Williams, Kalpana Chawla he further added that females are better than best in each & every field. The DNA, which is the master biological molecule in human body is same for male & female individuals, The potential of female and male is same it has been practically in every regard, he added.
- In first session Dr. Sumita Roy shared her views on Professional Carrier Skills, Identifying Carrier Opportunities, Resume Preparation Skills, Interview Skills & Presentation Skills. In order to develop the Professional Carrier Skills, students need to acquire the skills taught at college level & soft skills. To become professionally competent, one has to combine technical & HR skills she mentioned. While focusing about the Carrier Opportunities she explained that opportunities are endless as long as one is creative individual. She explained every stream has many jobs opportunities.
- Talking about presentation skills Dr Roy suggested following points
  - Never speak too fast as if it is a normal conversation.
  - One must pause while speaking important points
  - Clarity of thought is a must.
  - Audience skills are very much important

- Mr Sachin Jadhav started second session by sharing his views on listening skills, listening ability, time management & stress management. The session started with a gaming activity. Mr Jadhav explained listening skills by giving certain examples. He further shared a white magic technique with the student to develop their listening skills. To develop listening skill, one should always listen with full concentration. Mr Jadhav suggested following techniques in order to improve listening skills
  - Do not judge
  - No explanation
  - No justification
  - Just listen purely
  - Attentive listening
  - Reflective listening
  - Validating the speaker
- Dr. Renuka Londhe delivered third session on Digital Literacy & effective Use of social media. She thoroughly explained the digital literacy skills like Digital Culture, Online safety skills, Critical Thinking, Communication etiquette, Functional Skills, Finding Information, etc.
- Dr. Renuka demonstrated applications like Google Drive, Docs, Sheets, Presentation, Calendar, YouTube, Translate, Duo, Chat, Photos, Meet, & Hangout etc. Further she demonstrated how to use the Microsoft Mobile Office App on smart phone.
- Under social media Dr Renuka explained various social network sites, discussion forums like Quora & Reditt, review network, anonymous social network etc. She further explained using Social media Apps in order to get job ready like LinkedIn etc. She further suggested certain precautions to be followed while using the social media platforms, like one should set and use complex password, need not to share travel plan on social media, one should not allow social networking sites to scan email, do not use computers on public places, public Wi-Fi etc.
- Prof. Arun Shinde proposed vote of thanks.

#### vi. Conclusion, with Feedback on the Programme

- All the female students actively participated in every session and asked their queries to the respective resource person as well as they thanked all the resource persons for their guidance. They also expressed their heartfelt gratitude to the organizers for the program.
