Details of Activity, Achievements and benefit to the students and society

The cyber frauds are increasing day by day in various areas. To create awareness about cyber security among the students of BCA and B.Sc.CS., the Department of Information Technology organised **Cyber Awareness Programme** on 08.08.2018.

The resource person for this session was Mr Rahul Bulani, Catalyst Group, Latur. He gave the information regarding what is cyber security, cyber threats, cyber frauds, cybercrimes, etc. during the session.

Also the resource person motivated the students to conduct the cyber security awareness sessions at schools, colleges and public places.

Resource person delivering the session

Students attending the programme

Outcome:

The programme was helpful for the students gaining detailed information regarding cyber security.

Date: 08.08.2018
