Activity Report	
Details of Activity, Achievements and benefit to the students and society	
<p>The objective of Student-to-Student Mentorship Programme was to share the experiences of senior students with their junior ones. In this activity, senior students act as mentor for the mentees allotted to them These mentees are their juniors. During this meeting, the mentor students shared and discussed various career oriented topics such as campus interview, MCA/MBA entrance exam, project development.</p>
