## **B) Report**

### **i. Title**

International Seminar on Software Testing Skills and Job Opportunities

### **ii. Introduction**

With a fast growing IT market, software testing is seen as a good career option that gives the students availability to do career and grow further in the same field. Software testing is one of the important steps of software development. Software testing means analyzing and verifying the quality of software products in order to improvise on their outcome. According the market survey, by 2027 software testing outsourcing market is expected to grow at large extent. Keeping this in mind, the Department of Information Technology organized an International Seminar on Software Testing Skills and Job Opportunities on 20.08.2021.

### **iii. Objectives of the Seminar**

- To give knowledge about importance of software testing in IT field
- To provide information about career opportunities in the field of software testing
- To develop technical skills of students required for software testing
- To acquaint with tools required to perform software testing

### **iv. Details of Participants**

294 participants (Male 128 and Female 166) attended the seminar

### **v. Brief Summary of Events / Sessions**

At the inception of seminar, Prof. Shradha Jadhav welcomed the Chairperson Dr. Mahadev Gavhane, Principal, R.S.M. Latur, Resource person Mrs. Sujata Tambhale (Khune). The introductory speech was delivered by Department Coordinator Prof. Vishwanath Panchal in which he gave introduction of department and resource person. During the session, the resource person Sujata Tambhale (Khune), Software Quality Engineer, Mc-Graw Hill Education, Denmark, Europe has covered why software testing is required in software development process, types of testing, difference between SDLC and STLC. In addition to this, she gave some motivational tips that we have to follow in our life. During question answer session, the participants were actively interacted with the resource person. The Chairperson of this seminar delivered presidential address by sharing his views regarding scope and career opportunities in IT sector including software testing. Prof. Shradha Jadhav and Prof. Mahadev Bhatade worked as Programme Coordinator for this seminar. Prof. Shradha Jadhav expressed vote of thanks and concluded the seminar.

**vi. Conclusion, with Feedback on the seminar**

The knowledge provided by the resource person in this seminar was very useful for students and set the path for their career in the domain of Software Testing. Also, she shared motivational tips which will definitely help the students in their future.
