B) Report

i. Title

One Day International Workshop on Cloud Computing Engineering: An Overview

ii. Introduction

Cloud computing has recently emerged as one of the most widely used technology in the IT industry. Numerous IT vendors are offering computation, storage, and application hosting services all over the world. Currently, expert developers are required to implement cloud services. However, being a new and popular paradigm there is a need to aware students about this technology, an Industry Academia Workshop on Cloud Computing Engineering and Opportunities: An Overview was organized by Department of Information Technology, Rajarshi Shahu Mahavidyalaya (Autonomous), Latur on 8.10.2021.

iii. Objectives of the Workshop

- To gain the knowledge about basic concepts of cloud computing
- To aware students about certifications required to grab the role of cloud engineer
- To know current job opportunities in this field

iv. Details of Participants

277 Participants (male 131 and female 146) attended the workshop

v. Brief Summary of Events / Sessions

At the beginning of workshop, Prof. S. R. Jadhav delivered welcome speech and gave the idea behind organising this workshop. The Chairperson of this workshop was Vice Principal of college Prof. Sadashiv Shinde and the resource person was Mr. Ramchandra Balkrushna Kadam. The introductory speech was delivered by Prof. Jyoti Mashalkar which included introduction of department and resource person.

The Chairperson of this workshop, Prof. Sadashiv Shinde delivered presidential talk by sharing brief introduction about college and rapidly growing technologies in IT field such as Machine Learning, Artificial Intelligence and Cloud Computing.

The resource person covered why there is a need of cloud technologies, how the on demand computing resources are accessed over the internet, processing types, storage, infrastructure and software needs are provided as services. Also he mentioned about AWS certifications, cloud computing related career opportunities, current skills and resources needed to develop these skills and future for cloud tech career.

Prof. Shradha Jadhav and Prof. Mahadev Bhatade worked as Programme Coordinator for this workshop. Prof. Mahadev Bhatade proposed vote of thanks.

vi. Conclusion, with Feedback on the workshop

The knowledge provided by the resource person created interest among the students to work in the field of cloud computing. The participants appreciated the guidance provided during workshop about the skills, current job opportunities and certifications required in this field.
