B) Report

i. Title

Ten Days Training Programme on Digital Literacy for Girl Students on the Occasion of International Women's Day 2023

ii. Introduction

Ten Days Training Programme on Digital Literacy for Girl Students is an initiative that aims to provide basic computer and digital literacy training to the girls currently pursuing their education. The programme focuses on bridging the digital divide by imparting the essential digital literacy skills to empower the girls. The Department of Information Technology and Internal Complaints Committee (ICC) jointly organized Ten Days Training Programme on Digital Literacy for Girl Students on the occasion of International Women's Day 2023.

iii. Objectives of the Programme

- To provide basic knowledge of computer system
- To get acquainted with MS-Office applications like Word, PowerPoint etc.
- To acquire knowledge of DigiLocker application.
- To provide training to girl students on digital literacy (handling email, online payment etc).

iv. Details of Participants

106 participants (Female 106) attended the programme

v. Brief Summary of competition

The department has organized Ten Days Training Programme on Digital Literacy for Girl Students on the occasion of International Women's Day 2023 from 1st March 2023 To 11th March 2023.

The programme aims to train the girl participants about computer and utilization of various digital tools and technologies for performing meaningful operations.

During training sessions, the topics covered as per the syllabus designed such as

sending and receiving email, writing a letter through word processor, searching for information on a topic and evaluating the credibility of a source, and watching videos online in safe mode. Also the online transactions through UPI, GPay, Phone Pay, Online Banking. Were taught to the participants.

The sessions conducted included Demonstrations, Practical sessions, Discussion, etc. All the sessions were interactive and practical oriented which heled students to gain knowledge related to computer, online

On last day of training programme 11/3/2023, conducted MCQ test through Google Form for participants. Prof. Manjusha Shinde worked as coordinator for this programme.

vi. Conclusion, with Feedback on the Programme

The basic computer and digital literacy skills of student participants get improved. This will help them in the current digital era. of practical technical skills, collaboration skills, social and cultural skills.
