i. Title

Workshop on Cloud Computing and Security

ii. Introduction

Nowadays every industries/enterprises/institutions are using cloud computing for storage. Security in cloud computing is a major concern. Cloud security is a collection of procedures and technology designed to solve various threats to business security. It focuses on protecting cloud computing environments, applications, data, and information. To get acquainted with cloud computing security threats, a Workshop on Cloud Computing and Security was organised by Department of Information Technology for B.C.A. and B.Sc. CS final year students on 04.01.2023.

iii. Objectives of the Workshop

- To provide information about importance of cloud computing in industries/enterprises/institutions
- To know various threats to business security and procedures for securing clouds
- To make aware students about current job opportunities in the area of cloud computing

iv. Details of Participants

142 participants (Male 70 and Female 72) attended the workshop.

v. Brief Summary of Events / Sessions

At the beginning of the workshop, the programme coordinator Mrs C. V. Kulkarni welcome the Chairperson Principal of college Dr. Mahadev Gavhane, Resource Person Mr. Dr. Sanjeev Kumar Pippal, and participants.

The introductory speech was delivered by department coordinator Ms. Jyoti Mashalkar which included introduction of department and Resource Person. The resource person explained need and importance of cloud computing in enterprises, industries and institutions by giving examples.

He also gave information about Types of Cloud and Cloud Service Models. He focused on different ways by which security issues in cloud may occur, why security is needed in cloud computing and various methods to secure data available on clouds. He also guided on the paths of career in cloud security.

Mrs C. V. Kulkarni and Mr M. B. Bhatade worked as Programme Coordinator for this workshop. The workshop was concluded with vote of thanks by Mr Mahadev Bhatade.

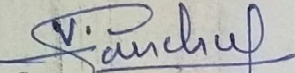

vi. Conclusion on the workshop
