A) Report

i. Title

Industry Expert Talk on Recent Trends In IT

Introduction

There are various job positions and daily new challenges are in IT industry such as programmer, system developer, DBA, Data Analyst, App developer, etc. To grab such positions, the students of BCA and B.Sc.CS need to be proficient in different IT skills like communication, coding or programming. Keeping this in view and to celebrate 25 years completion of Department, the student Association of BCA "Information Technology Student Association (ITSA)" and Department of Information Technology, Rajarshi Shahu Mahavidyalaya(Autonomous), Latur organized an Industry Expert Talk on Recent Trends In IT on 1.02.2025.

ii. Objectives of the Industry Expert Talk

- To introduce recent trends and scope in IT industry
- To develop skills required to enter into the IT field
- To aware students about current career opportunities in IT

iii. Details of Participants

65 participants (Male 28 and Female 37) attended this expert talk

iv. Brief Summary of Events/Sessions

At the beginning of the talk, the HoD Mr Vishwanath Panchal gave introductory speech which included department information and introduction the resource person Mrs. Pooja Varma-Panchal. The President of Information Technology Student Association (ITSA) Ms Sayali Hydrabade gave introduction of the association and emphasized on various activities planned and conducted to celebrate 25 years completion of the department.

The resource person and alumni of department Pooja Varma-Panchal guided the students on three main topics, what the students should have now, which skills are required to enter into the IT and how to acquire those skills. She focused on recent Trends in IT Sector like AI, ML, Cyber Security, Blockchain Technology, etc. and career opportunities in these fields.

Mrs Chandraprabha Kulkarni and Mr Jairam Kolekar worked as a Programme coordinator for this expert talk.

At the end of this talk, Mrs Kulkarni Chandraprabha expressed vote of thanks and concluded the session.

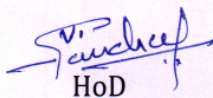

v. Conclusion, with Feedback on the workshop

This industry expert talk was interactive as students asked their questions regarding current trends and preparations required for such trends. The resource person enthusiastically answered the questions and motivated students to make use their potential to achieve success.
