10) Source of Funding:		-		

B) Report

i. Title

Laptop Awareness Program.

ii. Introduction

The Department of Information Technology organized Laptop Awareness program on 16 October 2024, a platform designed to enhance understanding and appreciation of laptops in our daily lives. As technology continues to evolve at a rapid pace, laptops have become indispensable tools for education, work, and personal use.

iii. Objectives of the competition

- Educate the Students
- promote Digital Literacy
- Highlight Latest Innovations

iv. Details of Participants

107 participants (Male 54 and Female 53) participated in the Exhibition.

v. Brief Summary of Events / Sessions

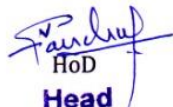

The Laptop Exhibition Event showcased the latest advancements and innovations in laptop technology from leading brands and manufacturers. The exhibition featured a wide range of models, including gaming laptops, business notebooks, ultrabooks, and student-friendly devices. Visitors had the opportunity to explore new features such as high-performance processors, enhanced battery life, lightweight designs, and advanced graphics capabilities. Experts and company representatives provided live demonstrations, product comparisons, and hands-on experiences. The event successfully connected technology enthusiasts and students, offering valuable insights into emerging trends in the laptop industry. Dr .S.V.Patil and Prof. Pawar Shradha Worked for this program as incharge.

vi. Conclusion with feedback on the competition.

We hope that the information and experiences gained here will inspire you to make informed choices about laptops and technology in general. Thank you for being a part of this enlightening journey, and we look forward to seeing you at future events. Together, let's continue to embrace technology and its potential to enhance our lives!

vii. Any Appendix if necessary.
