B) Report

i. Title

Online Certificate Course in Hands on Python Programming.

ii. Introduction

Now a day, blended learning is widely adopted in incorporation of different learning environments in higher education institutions. Under the guidance of Hon'ble Dr Mahadev Gavhane the Department of Information Technology taken an initiative to design and run online certificate course. According to this, the Department of Information Technology designed Four Week Online Certificate Course entitled 'Hands on Python Programming'.

iii. Objectives of the Student Association

- To promote online learning among students and teachers
- To increase collaborative activities
- To enrich knowledge of students and teachers in recent topics
- To provide knowledge about Python programming

iv. Details of Participants

24 participants participated in the course out of which 14 qualified.

v. Brief Summary of Events / Sessions

Under the guidance of Hon'ble Dr Mahadev Gavhane the Department of Information Technology taken initiated to design and run online certificate course.

Python is popular language because of its beginner-friendly syntax, efficiency, and versatility. It can be used in wide variety of tasks like data analysis, data visualization, task automation, scripting, machine learning and more.

It was decided to design a course on Python. Accordingly, the faculty members of department of Department of Information Technology Mr Riyaj Shaikh and Mr Vishwanath Panchal designed the syllabus of course Hands on Python Programming, prepared video contents of course using video recording and editing software applications. These videos were kept on Google drive and shared their link with participants on Telegram group. This online certificate course was of four weeks duration. Every week the video and assignment link was shared.

It was mandatory for the registered participants to submit assignment of every week and attempt final examination of course in order to get certificate. The total 24 participants were registered for this course. Mrs Manjusha Shinde worked as coordinator for this course from R. S. M. Latur .

vi. Conclusion, with Feedback on the Certificate Course:

The final examination was conducted through Google Form on 9/10/2025. The copy of e-certificate was issued to those participants who have successfully submitted all four-week assignments and passed the final examination. The students got detailed knowledge about Python programming.

Four Week Online Certificate Course in

HANDS-ON PYTHON PROGRAMMING

Course Fee:
200 Rs.

Python is a general-purpose, high-level, remarkably powerful dynamic programming language used in a wide variety of application domains.

Organizers & Faculty:

- **Chief Organizer :**

Principal Dr. Mahadev Gavhane

- **Course Co-ordinator :**

Prof. Manjusha Shinde

- **Course Teachers:**

Prof. Vishwanath Panchal &
Prof. Shaikh Riyaj ShaikhSaheb.

Why Python ?

- Easy to read and learn
- Free and Open Source
- Useful for scientific computing
- Powerful interactive interpreter
- Extensive scientific libraries
- Well documented
- Numeric and Symbolic computation
- 2D/3D Plotting
- User interfaces
- Parallel computing
- Machine Learning and Image Processing
- Game development
