## **B) Report**

### **i. Title**

National Level Hackathon Competition RSM-HACKATHON-S-24

### **ii. Introduction**

RSM-Hackathon is an initiative taken by the department of Information Technology, Rajarshi Shahu Mahavidyalaya, (Autonomous) Latur to provide students a platform to solve the real world problems, to inculcate the programming and project development skill among the students. The competition enables the students to implement their ideas with the help of programming languages and to get acquainted with the project and problem solving techniques.

In the academic year 2023-24, the Department of Information Technology organized National Level RSM-Hackathon-S-24 competition. The projects for this competition covers the areas of Education, Healthcare, Governance, Agriculture, E-Commerce, Internet of Things, Robotics, Blockchain and Artificial Intelligence

### **iii. Objectives of the competition**

- To acquaint with the project and problem solving techniques
- To develop research and technical skill among students
- To provide platform of problem solving as well as participative learning

### **iv. Details of Participants**

340 participants (Male 156 and Female 184) participated in the competition

### **v. Brief Summary of Events / Sessions**

The Department of Information Technology has organized National Level RSM-HACKATHON-S-24 competition on 27 August 2024.

At the beginning of the competition, the felicitation of Chairperson of Hon'ble Principal Dr Mahadev Gavhane, the Chief Guest and judges of competition Mr Rupesh Patil, Mr. Manoj Birajdar and Vice Principal Prof. Sadashiv Shinde took place.

The total 131 Groups including 340 participants were registered from all over India. The students came with their projects such as Software applications, IoT projects, websites, mobile apps etc. The participants demonstrated their projects in front of the judges, guests and all other audience.

Mrs. Jayshree Jatal worked as Convener and Mrs Shradha Pawar, Mr Bhairavnath Gorde and Mr. Mahadev Bhatade as Co-Convener for this competition.

**vi. Conclusion with feedback on the competition.**

The projects presented in this competition covers the different areas where new technologies used like Education, Healthcare, Governance, Agriculture, E-Commerce, Internet of Things, Robotics, Blockchain and Artificial Intelligence. Conduction of this type of Project competition activity develop the presentation skill, creativity and Team work capability in the students.

**vii. Any Appendix if necessary.**

List of participant is attached.
