B) A Report

i. Title: Capacity Building Programme on “MATLAB Handling Programme for B.Sc. I”

ii. Introduction:

The most of the students admitted for B.Sc.-I are from rural background and they don't know how to use Computer and basics of programming. Keeping this view in mind department has decided to arrange the capacity building program for B.Sc. I Year students so that students can get aware about basics of MATLAB and handling it.

iii. Objectives:

- To get aware the knowledge of MATLAB
- To learn various basic commands in MATLAB and types of windows
- To know the importance of MATLAB
- To Study various graphics function in MATLAB

iv. Details of Participants

In this program total 13 male Participants and 17 female participants took benefit of this Programme.

v. Brief Summary of Events/ Sessions

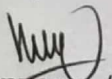

It was a three days program and Dr. Mahesh S Wavare delivers all session during those days. His main focus on use of basic commands of computer as well as MATLAB. In the Day 1 i.e., on 29/12/2021 he guides students about basics of Computer handling and laboratory ethics while during day 2 i.e., on 31.12.2021 he took session on Basics of MATLAB and various commands in MATLAB. In the last day students do practices on MATLAB.

vi. Conclusion, with Feedback on the Programme

Students experienced hands on session through which they got a better understanding of MATLAB software. Students understood the significance of MATLAB in Mathematics subject. The content delivery was as per the needs of every student along with the huge interaction. All students developed basic programming and feels comfortable on MATLAB
