## **B) A Report**

### **i. Title: Workshop on “INSA- Summer Research Fellowship 2020”**

#### **ii. Introduction**

The three national Science Academies offer several two-month Summer Fellowships to enable students/teachers (studying/teaching in India) to work with scientists associated with the three Academies during 2021-22. A copy of the application format, instructions to applicants including eligibility criteria, and a list of names of scientists/faculty who have consented to guide students/teachers to work on short-term projects is displayed in the online application.

Applications are invited from interested students and teachers from all universities and colleges affiliated to UGC for these Fellowships. The application should include:

- (a) the application form in the prescribed format;
- (b) scanned copies of marks sheets from class X till the last examination;
- (c) a write-up (in about 150-250 words) as to what the applicant wants to learn and achieve. Student applicants should provide the email id of one of their teachers familiar with their work. The Academy will approach them for a recommendation letter in the prescribed format. The selected candidate should work with the assigned guide for two months any time during the calendar year, preferably during the summer.

To getting with familiar with this department of Mathematics has decided to conduct one day workshop.
