Title: PSA Guest Lecture

Organizer: **Physics and Electronics**

Date: 24-12-2018

Venue: VLC Hall

Introduction:

Physics Students' Association (PSA) was formed. In its first function in the form of Inauguration Final year students welcomed First year students

Objectives of the Programme / issues addressed:

Association helps to motivate students for innovative mind and ideas. It provides a forum for exchanging Scientific views. It is also helpful in shaping the personality.

Details of Participants:

Brief Summary of Events/ Sessions:

Physics Students Association (PSA) organized a Guest lecture on **Utility of Electromagnetic Spectrum** by Prof. K.V.Zipare from Basveshwar Science college Akkalkot. He enlightened the students with the updated knowledge on different types of electromagnetic waves and their real time applications. He emphasized on the Einstein's words: "Imagination is more powerful than knowledge."
