

Shiv Chhatrapati Shikshan Sanstha's  
**RAJARSHI SHAHU MAHAVIDYALAYA (AUTONOMOUS), LATUR**  
**DEPARTMENT OF PHYSICS AND ELECTRONICS**  
**(Energy Conservation Week)**  
**ACTIVITY REPORT- 27 Dec.2019**

1) Title of Programme:		<b>“Group discussion on Conventional and nonconventional Energy Sources”</b>		
2) Name of Organizing Department/Unit:		Physics and Electronics		
3) Name of the Coordinator(s)/ Convener(s)/ Organizer(s) of the Programme:		Dr. D.V. Raje (Coordinator) Convener : Dr. A.A. Yadav		
4) Date(s) of the Programme:		27/12/2019, Time: 3.00 pm		
5) Venue:		Auditorium , RSML		
6) Target Group:		UG, PG & Brand Ambassadors for Energy Conservation		
7) Number of Participants:		Male	Female	Total
A separate list with signatures be maintained in the department/Unit)	Teaching	04	2	06
	Non-Teaching	--	--	--
	Students	18	23	41
8) Name(s) and details of Resource Person(s), if any:		Prof. Dr. Omprakash Shahapurkar, HoD Geography Department & COE		
9) Total Expenditure for the Programme:		Free		
10) Source of Funding:		Rajarshi Shahu Mahavidyalaya (Autonomous), Latur		

## 11) Details:

The group discussion program was organized by the Department to boost confidence in expression on a platform and to get the knowledge about Conventional and nonconventional Energy Sources.

A session was held for UG students on 27<sup>th</sup> December 2019. An eminent speaker Prof. Dr. Omprakash Shahapurkar HoD Geography Department & COE of the College was to address the students. He started the session with a positive thinking on the importance of a group discussion and the way to participate in it. The speaker concentrated on the key points which are to be taken care of by the candidates participating in a group discussion. Often people tend to forget the things that they have heard but an example would always remain in mind. HoD of the Department of Physics and Electronics Dr. E.U. Masumdar spoke a few words about the program.

Chairperson of the program Prin. Dr. Mahadev Gavhane said that the key points which were asserted to keep in mind for every group discussion are as : i) Body language ii) Confidence iii) Listening skills iv) Audibility v) Making the most of opportunities vi) Think like a leader vii) Where to look viii) How to conclude ix) Effective Communication. He gave the insights to conduct more of group discussions for the benefit of students. The teaching faculties of Department of Physics and Electronics were there to encourage the students. Finally the session was ended by a vote of thanks by Miss. Sarita Karvasara (student, B.Sc.II year).

From this program Self-confidence of the students for group discussion increased with the proper knowledge about Conventional and Nonconventional Energy Sources and their Importance for Environment. And helped the students not only to note the points to be considered while participating in a group discussion but also to watch out for all the minute things. This made the students analyze the situation from both the sides.

**NOTICE**

Date: 25/12/2019

All the students of UG, PG and Brand Ambassadors for Energy Conservation are hereby informed that, Department of Physics & Electronics organizing **Group discussion on "Conventional and Nonconventional Energy Sources"** on 27<sup>th</sup> Dec. 2019 at Auditorium of the College. So interested students remain present within time.

Venue: Auditorium      Chair Person: Principal Dr. Mahadev Gavhane  
 Date: 27/12/2019      Resource person: Prof. Dr. O.V. Shahapurkar  
 Time: 3.00 PM      Special Presence: Dr.A.J.Raju (Vice Principal)

  
 Coordinator  
 Dr. Dayanand Rajee

Organizes

**Group Discussion On: "Conventional and Nonconventional Energy Sources"**  
 (On the occasion of energy Conservation Week)

Date: 27/12/2019,  
 Time: 03.00 PM  
 Venue: Auditorium, RSM, Latur

Eminent Speaker :  
 Prof. Dr. O.V. Shahapurkar  
 IoD, Geography Department (RSM, Latur)

**Chair Person : Principal Dr. Mahadev Gavhane**

**Special Presence**

**Dr. E.U. Masumdar**  
 (Vice-Principal, HoD Physics & Electronics)

**Dr. A. J. Raju**  
 (Vice-Principal, HoD Commerce)

Coordinator: **Dr. Dayanand Rajee**

**Convener : Dr. A.A. Yadav, Organizer: All Faculties of Dept. of Physics & Electronics**
